

Possibly no immunization

Merv Moore, chairman of the Haliburton, Kawartha, Pine Ridge District Health Board said that swine flu immunization may never be used in the area.

Mr. Moore made the remark at a meeting of the Victoria County Social service committee. He was

commenting in connection with a report he was giving concerning the health unit nurses who have been negotiating with the board since spring.

He said that the nurses are back to work after the board lifted its lockout at the

end of August and are being paid at 1975 rates.

At that time the board set an Oct. 15 deadline to see if negotiations are progressing.

Mr. Moore said that condition has since been lifted by the board and the nurses have been guaran-

teed they would not be locked out this year.

He implied at the meeting that the dispute with the public health nurses might have some effect on the swine flu immunization program which was to begin at the end of October.

Mr. Moore also said there has been enough publicity about possible reactions to the flu that less than an estimated 20 per cent of the population will make themselves available for it. "There is a lot of thought now that it is not needed," he said.

INSTANT STARDOM! "Hary" an eight-week-old Newfoundland caused quite a commotion in town on his first visit to Minden last Friday. The Recorder Staff, along with every passer-by on Main street were captivated by his charm. Herbert Fischer of Kinmount was only too happy to pose with Hary for our camera. He explained that this particular breed of dog grows at the rate of 2 pounds a week and at

the age of 18 months is expected to weigh 260 pounds. His measurements from nose to tail should be 60 inches and his height should reach 28 inches. These dogs are used in Newfoundland as tugs to pull boats to shore. They are well equipped for this work as they have webbed feet and are known well for their diving ability as well as powerful swimming.

Supervisor required

Ross MacDonald of RR 2, Minden who worked on the Hawk Lake causeway while the culvert was being constructed told the inquest into the collapse of the culvert that gravel was packed by hand with a rake to a height of six inches from the base of the culvert. The computer printout from Westeel Rosco, the suppliers of the culvert said in reference to this particular structure, "careful backfilling and

strutting may be required", Warren Jenner of Westeel testified on Monday.

The strutting operations would hold up the top and sides of the culvert while compaction goes on around it so that the strain is taken off the culvert, Mr. Jenner said. He said that there should be a supervisor on the job site to say what

Fire prevention week is now

Fire Prevention Week is now. That means that now is the time to learn what fire hazards there may be in your home, what you should do about them and what you should be prepared to do if a fire breaks out unexpectedly, as it will.

The Minden Fire Department, headed by Chief W.M. (Deac) Jackson, will be working hard this week to make the community aware of the possibility of fire and of the methods of fire prevention.

Beginning with the young people, Mr. Jackson will visit Archie Stouffer Public School, where the principal, Stuart Baker has given the Fire Department the time to speak to the children. Mr. Jackson explained that children in grades two to four are very receptive to ideas of safety. It is hoped that a lasting impression of proper precautions against fire will be made with this age group.

Education is necessary however, not only for those who are in school. The Fire Department will be mailing brochures and, advice, for the

control of fires to all householders and also hopes to reach a large number of homeowners on a door-to-door canvass. Offers will be made door-to-door of a service that the Fire Department is providing for the first time. Upon request and for no charge, they will perform an inspection of the household to check for and help to remedy any fire hazards. All you have to do is ask the experts. That is the first step in prevention.

Minden Memo

By Aileen Blears 286-2351

I'm sure that you have heard of Meals on Wheels whereby a hot meal is delivered for a small charge right to the door of a shut-in or senior citizen. This is a commendable service, and fills a great need - but these people need more than a hot meal; they need companionship and a chance to participate. So how about **WHEELS TO MEALS!**

This is a plan being thought about at Hyland Crest whereby the shut in senior citizen is delivered to the hot meal.

At last week's Auxiliary meeting, Lil Rawlins outlined this plan for the members. For a small fee (approximately \$1.50) the senior citizen would be picked up by the Hyland Crest bus and taken to the residence for a day of socializing, including a hot meal at lunchtime. In the late afternoon, he would be driven back to his home. This would be a once-a-week outing. Sounds sensible, doesn't it?

If you are interested in this service, or if you know of anyone who is eligible, phone me at 286-2351, and I'll ask Lil to add your name to the list for **WHEELS TO MEALS**.

Ladies from several craft groups in Gravenhurst visited at the home of Mrs. G.A. Stewart at Allsaw to exchange ideas and to discuss winter programs for their New Horizons and church groups. Various projects in needlecraft, scissorscraft, weaving and macrame were plotted for upcoming bazaars and Christmas gifts.

St. Paul's ACW split up last week, but only for one evening. There were two events scheduled for September 27, Hyland Crest Auxiliary's Pot Luck Supper, and a meeting of St. George's ACW, Haliburton at which Mrs. Tom Gracey was guest speaker. Three members attended the supper, and eight made the trip to Haliburton.

At Thanksgiving, the 'candle' game will keep little ones (and big ones too) amused while the remains of the turkey are being removed from the table to make way for the pumpkin pie. Here's what you do. For each person, make up a miniature candle and holder by using a foil tart tin, a large marshmallow and a birthday cake candle. Insert the candle in the marshmallow in an upright position and place on the foil tart tin. A nice touch, but not necessary, is a lifesaver stuck in the side of the marshmallow to form a handle.

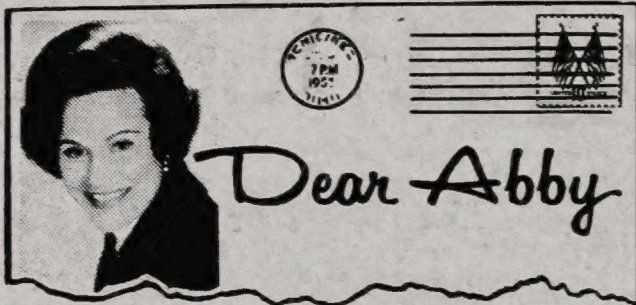

While dishes are being gathered up, and dessert made ready, light each candle. The fun comes in watching to see whose candle burns the longest. A small prize is given to the person with the longest burning candle. (no fair breathing heavily on your neighbours flame)

There were 32 at the opening card party of the 1976-77 season at St. Paul's Church last Thursday.

These weekly gatherings are a real boon to the people of Minden and surrounding area. For the very small sum of fifty cents you can have a friendly game of euchre, cribbage or bridge topped off by a social time afterwards. Everyone is welcome every Thursday at one o'clock at St. Paul's Parish Hall.

Congratulations to Mr. & Mrs. Robert Bruce Dudman who were married at St. Paul's on Saturday. The bride, the former Gail Hewitt, is the daughter of Mrs. Grant Hewitt, and the groom is the son of Mr. & Mrs. Bruce Dudman. We wish them much happiness.

We were in Toronto over the weekend, and the drive home on Sunday was magnificent, especially from Norland to Minden. **HAPPY THANKSGIVING!**

Dear Abby

Fire-fighting Tips Well Worth Repeating

By Abigail Van Buren

© 1976 by Chicago Tribune-N. Y. News Synd. Inc.

DEAR READERS: Today begins Fire Prevention Week. I've had so much response to the column I published last year on the same occasion that I thought I'd reprint it.

In 1974 approximately 12,000 Americans perished in nearly three million fires. And in Canada, there were nearly 900 deaths caused by approximately 79,000 fires.

A large percentage of those who died were children, elderly persons and invalids who had been left alone "for just a few minutes."

The chief causes of fires, in order of the toll taken, were:

1. Smoking
2. Electrical wiring
3. Heating and cooking equipment
4. Children playing with matches
5. Open flames and sparks
6. Flammable liquids
7. Suspected arson
8. Chimneys and flues
9. Lightning
10. Spontaneous ignition.

The total loss due to fire in 1973 was an estimated \$3,001,000,000 in the U.S.A. and \$254 million in Canada.

Now for some tips that could save your life:

- Be sure your cigarette is out. Matches, too. And never leave matches and lighters within the reach of children.
- Don't run cords under rugs or over radiators where they may get damaged. And replace a cord if it is frayed.
- Never leave small children alone in the house. Not even for a few minutes.

- Have your wiring and electrical installations done by a professional.

- Store oily rags and paints in a cool place in tightly sealed metal containers.

- Never use flammable liquids for dry-cleaning indoors.

- Never smoke in bed.

- Have a fire drill in your home to be sure everyone knows what to do in case of fire.

Remember: Fire extinguishers put out 97 per cent of all fires on which they are sprayed, and most large fires start as small fires. So, invest in a compact, easy-to-use fire extinguisher and keep it handy in your kitchen, or be a sport and buy one for your cottage, car, boat and the back bedroom.

More recently, some excellent fire-detection systems have become available to homeowners. Ask your local fire marshal about them.

NOW, in case of fire:

If you suspect fire, feel the top of the door. If it's hot, don't open it. Escape through the window. But first alert the rest of the household.

If you can't open the window, break it with a chair. Cover the rough edges with a blanket, sit on the window ledge with one leg hanging outside and one inside, and wait for help.

The phone number of your fire department should be taped on every telephone. If it isn't, don't fumble around trying to find it. Get out and call from a neighbor's house.

If you live in an apartment building, use the stairway. Don't take a chance on the elevator. If it fails, you're trapped.

Once out, stay out. No treasure—not even the family pet—is worth risking a human life.

It took less than three minutes to read this column. Was it worth it? I hope so. God bless. Have a good day!

Council in favor of land transfers

The Lutterworth Council voted four to one in favour of a motion that will bring the possibility of the transfer of the 66 foot shore allowance to adjacent property owners to the attention of members of the County Council. Deputy Reeve Lloyd Walker registered against the motion.

The resolution provides that minutes of the two public meetings regarding the 66 foot water allowance that were held on August 14 and 28 as well as a summary sheet of guidelines for possible transfer will be sent to each of the Township clerks in the county for consideration before the next County Council meeting.

A motion regarding the transfer of the 66 foot allowance was presented to

County Council at their last meeting, but it was not resolved since it was not seconded by the Deputy Reeve of Lutterworth Lloyd Walker. That motion read that the County Council should establish a committee in order to investigate and discuss with the officials

from the Ministry of Housing possible ways to close appropriate portions of existing shoreline allowances and to convey the same to adjacent property owners.

The Lutterworth Council had previously resolved that the Reeve and or Deputy

Reeve be authorized to present this motion to County Council, Reeve Conaghan said.

It is hoped that at the forth coming County Council meeting a motion will be made to enable representatives of the Ministry of

Housing and the Ministry of Natural Resources to discuss the problems of the shoreline transfer with local officials.

The motion which passed the Lutterworth Council on Thursday is intended to ensure that county council-

lors are fully informed on the progress to date of the investigation into the transfer of shoreline allowances.

This was in response to a suggestion by Warden Gerry Howarth who was present at the September 20 meeting in Lutterworth.

Conditional discharge

Olaf C. Rabe pleaded guilty to a charge of willful destruction and causing damage not exceeding \$50

before the provincial court on Tuesday, Sept. 28. Evidence given in regard to the offence indicated that Mr. Rabe was involved in an argument with local patrons of the Paradise Hotel in Haliburton village on Sept. 3. Taken outside, Mr. Rabe put his fist through three windows, causing damage of about \$30.

Judge Inrig ruled that since having a criminal record is more serious than breaking three windows, Mr. Rabe should be granted a conditional discharge. No record will be kept of the offence provided that Mr. Rabe abides by the conditions of the discharge, which are that he be well behaved and keep the peace for a period of two years, and that he make full restitution to the owner of the hotel.

Reeve pays the rent

Reeve Patrick Conaghan of Lutterworth has filed a cheque with the clerk of the township to cover the rent of the Wagon Wheel for an open meeting on August 14.

The August meeting had been called to discuss the possibility of a closure of the 66 foot shoreline allowance and its transfer to adjacent property owners. The councillors for Lutterworth objected on September 20 and 30 that they had not been consulted with respect to the calling of the meeting. Reeve Conaghan indicated that he was under the impression that he had spoken to the councillors, and it was verified at both September meetings of Lutterworth Council that the councillors had received notification by mail of the meeting at the Wagon Wheel. Councillor Bill Valentine attended the August 14 meeting and the subsequent meeting on the same topic held on August 28 with the consent of council.

Reeve Conaghan said that councillors Merv Brohm and Ingram Wessell and Deputy Reeve Lloyd Walker did not attend either meeting, although there were 75 interested ratepayers present, some of whom were representing cottager's associations.

The Reeve filed a cheque to cover the cost of the rent of the Wagon Wheel for the

meeting as a result of the council's disagreement with his actions. Deputy Reeve Lloyd Walker said that the council did not mean to press the issue of the rent, which amounted to \$30., but based its objection on the grounds that no resolution to hold the meeting on August 14 was put before the council.

Regional council of OECA meeting held

Members of the Central Regional Council of the Ontario Educational Communications Authority gathered at Pine Stone Inn last Thursday to hear about new developments and improvements to old programs of the OECA.

A number of members of the general public were also invited to the meeting.

The presentation by the OECA showed a number of teaching methods involving television and just what educational television is doing to improve the education process in the province.

The meeting was the third quarterly meeting of the regional council.

Auditor visit

The chief municipal auditor of Ontario or his representative will be visiting Lutterworth Township Offices sometime next week, according to Lutterworth Reeve Patrick Conaghan.

The purpose of the visit is to examine the breakdown of the townships budget so that the amount paid to L. and D. Welding, a company that operates in one of the bays of Deputy Reeve Lloyd Walker's service station, can

be noted.

At the Lutterworth Council meeting on September 20 Deputy Reeve Walker agreed to declare a conflict of interest in the future when bills relating to L. and D. Welding come before the council. He said that he had checked the matter with his accountant and had brought it before council in the past to ensure that it was all above board.

Sewers important to growing area

Little stress has to be put on the importance on sewers for a community. Sewers are the most important development factor and the importance is growing all the time.

Legislation and building standards in the province are geared for the service communities. We watch in amazement when someone comes to the municipal council for a subdivision agreement only to find that the red tape and the time involved, in many cases makes it very expensive. Having the proper servicing, headed by sewers, helps solve some of these problems.

In the Minden area is ever to obtain any large, medium sized or small industry the servicing is a must from two angles.

The first angle is the provincial health standards are just getting more and more restrictive on septic systems, or for that matter any system that is not connected to services. Rightly so, we all know of the many problems that can arise from a septic system that does not operate properly.

The second angle is the industrialists themselves who would take a dim view of moving to a community that is not serviced properly.

Minden is a fortunate community, first to get approval on the installation of a sewage system, secondly to be able to afford it and thirdly because there now is a timetable that the people, store owners and most of all industrialists can see that Minden is moving forward.

Organizations are important

The Haliburton County Snowmobile Association is showing the importance of that type of organization with its fight to keep the Whitney Snowmobile Trail open.

The snowmobile association will benefit directly by the trail staying open, but so will other local residents interested in snowmobiling tourists who travel north to ride on our snow and indirectly the businessmen who will pick up extra tourist traffic during the off season.

The Whitney Trail is something we already have, and something we shouldn't lose. Haliburton County has to hang on to what its got.

"YOU'RE SURE, MR. MORRIS,
THIS IS GONNA WORK?"

One foot in the furrow' by Bob Trotter

Letters are appreciated by Bob Trotter, Eldale Rd. Elmira, Ont. N3B 2C7

We owe it all to the native people of Canada, the Canadian Indian.

In 20 short years, grain corn has become this province's biggest farm crop. It was grown by the native people as maize but hybrid varieties have been developed so quickly that the original crop would hardly be recognized.

Not too many people except those who grow it have been aware of the tremendous growth of this crop in Ontario. Between 1956 and 1960, the grain corn crop averaged 28 million bushels a year. Between 1966 and 1970, the average had jumped to 75 million bushels a year and passed the 100-million bushel mark in the early 1970s.

Last year, the crop topped 130 million bushels and this year's yield is expected to be even higher.

Now, that's a good idea, especially when it is a good product and ready markets are available. But the problem — there are always problems in agriculture — is that the industry has grown so fast in Ontario that there simply isn't enough room to store the crop when it is harvested.

Any Canadian who has travelled to Western Canada is aware of the huge storage elevators spattered across the Prairies. The grain crop is harvested and stored in these elevators until sold by the Wheat Pool and delivered to buyers around the world.

I should qualify that statement: It is delivered when unions decide to accept settlements which will allow the grain to be delivered.

Ontario farmers felt they were stuck with a huge surplus last spring and last fall and sold as much corn as they could. They sold 10.5 million bushels to the U.S. - owned Cargill Grain Co. Ltd. who, in turn exported the corn to Russia and Cuba.

Ontario farmers got about \$2.35 a bushel for the corn that left this country. But until the new crop came in this month — it is still being harvested — a corn shortage was evident in Ontario. So Ontario farmers, because they lacked storage facilities last fall and this spring, had to buy

imported U.S. corn at more than \$3 a bushel.

Sounds stupid, doesn't it?

Grow your crop, sell it cheap because you can't store it properly but buy back the same crop from outside the country for more than you got for your own crop.

Walter Miller, the outspoken vice-president of the National Farmers Union, maintains that firms such as Cargill shouldn't be allowed to capitalize on the plight of farmers.

"Those grain companies are in business to make money and they purposely manipulate prices and markets to maximize their profits," Miller is quoted as saying.

"Decision-making must be taken out of the corporate boardrooms of another country and put into the public forum," he said.

Many will agree although businessmen would simply say that the U.S. - based Cargill company simply smelled a tidy profit and took advantage of the opportunity to make a few million bucks.

Who knows whether the grain corn purchased by the firm last fall at \$2.35 a bushel is not the very same grain now being bought by the same farmers who grew it for \$3.10 a bushel?

Agriculture Minister Eugene Whelan, I think, is being ignored by the Cabinet. He has consistently supported tax-break proposals for firms willing to build elevators for storage but other portfolios necessary for such a move have not been ready to support him.

No one questions the need for storage space. Expensive imports were needed despite the fact that enough Ontario corn had been produced last year to keep up with demand.

Some small incentives have been provided by the Canadian government such as a 5 per cent tax credit for elevator builders. But something must be wrong with the incentives because space for storing this year's crop — and it'll be a dandy — is still not available and no one is building any.

This picture of the Pattie House on the main street of Coboconk was taken about 1930, and was donated by Mrs. E.M. Banting of Gull Lake. The men in the

Looking back

picture were professors at the University of Toronto Survey Camp in Lutterworth. The hotel has changed little in appearance since then.

Letter to the Editor

Dear Sir:

In reference to the picture of Bill Eastivau and his family where you printed a week or so ago; you might be interested to know somethings about him. He and his family lived in the house on the upper side of the road curving into the village from the south and had his blacksmith shop just opposite. (In opposition to that of John Welch who was on the other side of the river) The place was bought from him later by Langdon, the carpenter and boat builder.

In those days the men of the village were great Quoil players and had a crease on the main street just about in front of Ed Voice's Store (Cox's now) and Bill was champion Quoil player for sometime. They used to run challenge games continually. Anyway, in one set of games my husband happened to win, and got for a prize a set of specially weighed horse-shoes (I should have said that at that time horseshoes were used rather than regular Quoits) which Bill had made and I still have.

Also, Bill owned a beautiful black colt which grew up with his family. To everybody's amusement, those two boys used to swing around the yard holding onto Belle's tail which was the longest, widest, and most beautiful tail I ever saw on a horse. It would have reached the ground if not trimmed. My father, J.H. Delamere bought Belle back, and we had her for a number of years.

I know very few people in the village now but around the turn of the century and right about the 1920's, I think I knew every man, women child in the place (almost!)

Though it is years since we have lived in the village, my family and I have never missed a summer at Gull Lake and have owned property at "Rackelly" for over 100 years.

Yours truly,
W.A. Bedlington

Inside the Recorder

by Susan McLaughlin

The forum held by the Haliburton County Snowmobile Association on Sept. 27 deserves comment, I think, if only for making one thing obvious, or at least obvious to me.

I was surrounded by a roomfull of avid and determined snowmobilers who were rightly intent upon being allowed the use of a small tract of land that would be of great use to them and probably to no one else. Their demand for the reopening of the Whitney trail through Algonquin Park was and is reasonable, and was reasonably presented. Council members, members of provincial and federal parliaments, members of snowmobile clubs, members of the community who benefit from the use of the trail, and two members of the Ministry who have banned its use all had a chance to speak and all did.

I was in a proclaimed minority, in a corner by myself, or so it seemed. I say quietly, as fit my position, and thought about snowshoeing.

The meeting had been told (and I'm sorry I forget by whom) that no one snowshoes any more, with the possible exception of a few trappers. An exception among exceptions, then, I admit that I do not trap and I do snowshoe. I should explain that I have never mastered cross-country skis and that snowshoes are an obvious alternative to floundering in snowbanks when one needs a bit of winter exercise. Snowmobiles and I

have had a few run-ins, but never come to a happy solution of our mutual distrust.

The Ministry of Natural Resources would like to see Algonquin Park dedicated to the quiet enjoyment of nature, the master plan suggests, and that is why snowmobiles which of course make some noise and emit some fumes, are to be banned from the Park.

I suppose that as an avid snowshoer, dedicated as I suppose I must be to the "quiet enjoyment of nature", I should agree with the Ministry's decision, but I do not.

The point was made at the meeting that even if snowmobiles are banned, the traffic in cross-country skiers and snowshoers (if any) is not likely to increase. As a snowshoer, I can vouch for the truth of this statement.

The Whitney trail is obviously perfectly suited to snowmobiling. It contributes to a part of the county's economy and is a link between snowmobiling communities of Whitney and Haliburton. Even a snowshoer can appreciate that snowmobilers are entitled to the use of a piece of public land that is suited to their needs.

It is only to be hoped that the Ministry, the only other minority represented at last week's gathering, will come to the same realization.

FOREST FIRE

DON'T PLAY WITH FIRE... PREVENT IT!

Teach
FIRE PREVENTION
Early!

Each month a special Thursday tea is held at Hyland Crest, when all the birthdays that have taken place in the last month are celebrated. This week a group of women from the Full Gospel Lighthouse in

Haliburton were on hand to sing and talk with the residents at the home. Mr. Frank Billings celebrated his 82nd birthday on Sept. 12 and again Thursday. Mrs. Elma

Walsh, whose birthday is also on the 12th, was 75, and Mrs. Isabelle Eastman was 87 on September 9th. Cake and presents were provided by the visiting women.

Youth charged

A 14-year-old Kinmount youth has been charged with careless driving and failing to remain at the scene of an accident and break, enter and theft and possession of stolen property in connection with two separated incidents Oct. 1 and Sept. 30.

The juvenile, along with a 15-year-old Minden youth was charged in connection with a break in at a cottage owned by Leonard E. Flaxman, in Lutterworth Township.

The break in took place on Sept. 30.

The juvenile was charged with careless driving and failing to remain at the scene of an accident as the result of an accident which took place Oct. 1 on Highway 503.

The Minden detachment of the Ontario Provincial Police report that a truck, which was stoled collided with a car driven by Douglas H. Munro, 17, of Kinmount. There was \$900 damage to the Munro vehicle and \$250 damage to the truck.

Kinmount Connection

Music for the Dance at the Legion Hall on Sat. night was supplied by "Marg Graham and the Westernaires". The crowd was small as everyone seemed to be enjoying Bobcaygeon fair.

Bingo winners last Friday evening were Mary O'Toole, Ivory Switzer, Betty Bacon, Helen Lee of Minden, Gladys Silvers, Mrs. Baldwin, Mary Hartin, Mrs. Noah of Haliburton, Thelma Crego, Verna Crego, Mrs. Mervin Jones, Yvonne Stata, Valma McDuff, Linda Barry, Lila Shaw, Nora Swinson and Jean McKelvey of Minden.

Miss Connie Crego spent a couple days last week with her parents Mr. & Mrs. Joe Crego.

St. James Anglican Church will hold their fowl supper in the Legion Hall on Oct. 16.

It is good to see that the Highway 121 north is at the paving stage.

Sorry to hear of the death of Hazel Critts, a summer resident of Cosy Cabins, south of Kinmount. She was also a member of the Legion Auxillary 441.

Mrs. Ennis is spending sometime at her home here.

Mr. Charles Graham is at present a patient in the Ross Memorial Hospital.

Several people of this community are rather under the weather with the flu.

Carl Schroter of Lindsay won the 50-50 draw at the legion on Saturday to the tune of \$33.00.

Turkey Casserole

1 c. cubed turkey or chicken
1 can cream of chicken soup
1/2 c. milk
1 c. frozen peas
1 c. crushed potato chips
Put all ingredients into a casserole, mix well. Sprinkle crushed potato chips on top. Bake for 3/4 hrs. at 350 degrees.

Overhead flasher for Norland

John Eakins, MPP Victoria-Haliburton, has announced that he has been successful, along with the Municipal Council of Laxton, Digby and Longford, in securing an overhead flashing beacon in the village of Norland.

Mr. Eakins said, "This has always been a difficult and dangerous intersection, and I am pleased to report that the Ministry has agreed with our assessment of the situation."

The flasher will be installed and suspended over the intersection to show amber on Highway 35 and red on Highway 503.

Mr. Eakins said he is hopeful that this measure will improve existing traffic operations at this intersection.

Unlawful entry

James A. Hoffman, 17, of Hamilton, pleaded guilty to a charge on unlawfully entering a dwelling with intent to commit theft at a cottage in West Guilford on June 28.

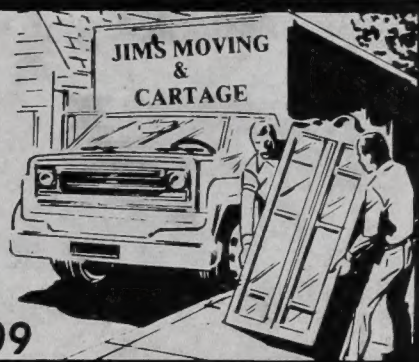

Mr. Hoffman was found in the cottage, where he said that he had stayed overnight. There were a number of articles belonging to the cottager in the accused's knapsack. Mr. Hoffman also admitted to having broken an 18 by 20 foot window by which he had entered.

The court on Sept. 28 gave Mr. Hoffman a suspended sentence which provides that no criminal record will be kept if Mr. Hoffman abides by the conditions of probation for a two year period and makes full restitution to the cottager. Sentence will be executed, Judge Inrig explained, if there is any cause for complaint in Mr. Hoffman's behaviour before the end of the two years.

Offers

COURSES FOR CONTINUING EDUCATION

at

Haliburton Highlands Secondary School

Are you interested in continuing your formal education, developing a hobby, obtaining entrance qualifications for post-secondary institutions or updating yourself in your present occupation? If so, consider enrolling in one or more of the courses listed below:

GENERAL INTEREST COURSES:

DIXIELAND BAND:

Instructor: Mr. Don Wright
Cost: \$10.00
Night: T.B.A.

(Please note that you must supply your own instrument.)

BRIDGE:

Instructor: T.B.A.
Cost: \$10.00
Night: T.B.A.

FAMILY LIVING:

Instructor: Mrs. Rosie Kenney
Cost: \$10.00 plus texts
Night: Thursday 7:00 - 9:00

WAITER/WAITRESS TRAINING:

Instructor: T.B.A.
Cost: \$10.00
Night: T.B.A.

ARCHERY:

Instructor: Miss Kit Keohler
Cost: \$10.00
Night: Wednesday 7:00 - 9:00

BASIC LAW FOR THE CITIZEN:

Instructor: Mr. Ian McCollom,
Cost: \$10.00 plus texts
Night: Tuesday 7:00 - 9:00

GUITAR I AND FOLKSINGING:

Instructor: Mr. Frank Wallace
Cost: \$10.00
Night: Tuesday 7:00 - 9:00
(Please note that you must supply your own guitar.)

HUNTER SAFETY:

Instructor: Dan Dewey
Night: Tuesday 7:00 - 9:00
Cost: \$5.00

BADMINTON:

Instructor: Mr. Glen Scully
Cost: \$10.00
Night: T.B.A.

CONVERSATIONAL FRENCH FOR BEGINNERS:

Instructor: T.B.A.
Cost: \$10.00 plus texts
Night: T.B.A.

GYMNASTICS FOR WOMEN *(Includes Creative Dance):*

Instructor: Miss Laura Johnston
Cost: \$10.00 plus gym clothes
Night: Wednesday 7:00 - 9:00

DRIVERS' EDUCATION

Instructor: T.B.A.
Cost: \$40.00
Night: T.B.A.

BUSINESS COURSES:

BASIC ACCOUNTING AND BOOKKEEPING FOR SMALL BUSINESSES:

Instructor: Mr. Alan Oakley
Cost: \$10.00
Night: Wednesday 7:00 - 9:00

FORKNER SHORTHAND:

Instructor: T.B.A.
Cost: \$10.00
Night: Thursday 7:00 - 9:00

TYPING I: Instructor:

Mrs. Sharon Lee Lerpiniere
Cost: \$10.00
Night: Tuesday 7:00 - 9:00

CREDIT COURSES:

Any of the following courses may be used as a credit towards a Secondary School Graduation Diploma.

SENIOR MATHEMATICS:

Instructor: Mr. Dave Dixon
Cost: \$10.00 plus texts
Nights: Tuesday 7:00 - 9:00
Thursday 7:00 - 9:00

SENIOR ENGLISH:

Instructor: Mr. Joseph Amorose
Cost: \$10.00 plus texts
Nights: Tuesday 7:00 - 9:00
Thursday 7:00 - 9:00

SENIOR HISTORY:

Instructor: Mr. Frank Wallace
Cost: \$10.00 plus texts
Nights: Monday 7:00 - 9:00
Wednesday 7:00 - 9:00

Registration will take place Wednesday evening, October 13, between the hours of 7:00 and 9:00 p.m. at Haliburton Highlands Secondary School. Individual courses will be offered only if sufficient numbers, approximately 15 students, register. Please note that general interest courses are also open to regular day school students. Tuition fees are payable by cheque during registration. If further information is required, please contact Mr. Dale Robinson, Director of Continuing Education, at 457-2950.

From the Chamber

with Bob Stinson

The new Chamber Phone Book is now on sale throughout the county. It has been well received and many of the stores that are carrying the book are on their third order presently. Here is a list of the locations where this handy book is available. Mike's Milk in both Haliburton and Minden, Mae's Book Store in Minden, Cauldron's Drug Store in Haliburton, Allsaw General Store at Soyer's Lake, Barr's Store and Crossroads Lucky Dollar at Gooderham, Foster's General Store at Tory Hill, Agnew's Store at Wilberforce, Ridgeview Restaurant at Harcourt, Eagle Lake Store at Eagle Lake, West Guilford Shopping Centre at West Guilford, Ye Old Hitch-N-Post at Carnarvon, Stinson's Store at Hall's Lake, Kushog Korner Snack Bar on Kushog Lake, Robinson's General Store at Dorset and The Cupboard on Horseshoe Lake.

We have been so busy in the office lately it was certainly a nice change to get out and visit around the county while distributing these books. We found a number of changes taking place. The Foster's are new folks in Tory Hill having taken over Graham's location there. Len and Pearl Foster hail from Aurora where they were very active with the Volunteer Fire Department. Norval and Dorothy Graham moved along the road to Gooderham where they were operating Graham's Shell which includes a nice snack bar. We also met Don and Wendy Wright at Paudash Lake who purchased Maple Wood Cottage there just over a year ago. Up on Highway #35 at Twelve Mile Lake we met William and Mary Lou Totty who took over the Wedgewood Store and Marine last summer and are getting set for their first winter in the Highlands. Fred Baum has sold his Old Mill Marina at Dorset, and Oakview and Little Hawk Resorts at Hawk Lake have both been sold and we are looking forward to meeting the new owners of these establishments. We do hope members will make these new folks welcome in our community.

At Eagle Lake Store, Allan Bagg proudly showed us the new brochure published by Yamaha Snowmobiles. A number of pictures were taken in the Eagle Lake area including one full page shot in front of the store, and another by Sir Sam's Inn. This is the second Snowmobile brochure to take advantage of the beautiful Haliburton Country side in their advertising. Allan on the other hand has put on an attractive new store front since last winter, so possibly they should come back this winter and shoot the scene again to keep their booklet up to date.

By the time this column is in most of your hands the annual dinner meeting will be over and the Highlander of the Year award and Membership number 300 will have been presented. If you were not at the meeting be sure and watch this column next week for details.

COMING EVENTS

Oct. 9th - Octoberfest Dance - Minden Community Centre 8:00 p.m. to 1:00 p.m. Featuring "Big Band Express" \$2.00 each.

Oct. 10th - Bitter Green Productions presents the Stampede and Harbinger, Minden Community Centre 9:00 p.m. \$3.75 each.

Oct. 9, 10, 11th - Wilberforce Autumn Fest - Bavarian Oompah Band, Autumn Fest Ball, Turkey Supper, Pancake Breakfast, Bake Sale, Helicopter Rides, Hayrides, Penny Arcade, Rockhounding, Weiner Roast etc.

Oct. 9th - Boy Scouts & Cubs Apple Day - All over the County

Oct. 23rd - Minden Minor Hockey Dance - Minden Community Centre, Live Music, Buffet \$8:00 per couple.

Kinsmen Korner

The Kinsmen demolition derby is being held this Saturday, Oct. 9th. Time 1:30 at the Arena grounds. Some 19 entries have been received to date so there should be plenty of bang up entertainment and excitement. Everyone is welcome to participate so if you have an old car or can borrow your wife's for a couple of hours - come on over and release those pent up frustrations by running over a few friendstwo or three times. Contact Tom Prentice - Jim Schollosser - Sid Stamp. Entry fee \$10.00. Proceeds to support Community Services.

Winter carnival plans

Before the leaves have even fallen, the plans for the Minden Winter Carnival are well under way, and although it may be wrong to be enthusiastic before the warm is fully gone, the interim report of the Winter Carnival Committee, is so encouraging that the effect is almost contagious.

Six meetings have been held to date, five general and one for the directors, the report read to the Anson, Hinden and Minden council stated. The main theme of this year's Carnival is to be participation, with events geared towards a balance of crowd participation viewing and entertainment. Many new events, concessions and games are to be introduced for the first time. These will be spread over the fair grounds area, recreation hall and arena so that viewers will have some form of entertainment of any of these locations.

There is to be no general admission charge into the grounds. Revenue will be raised through an admission charge for main events and crowd participation games. A book of tickets will be offered for sale that will contain discount tickets for the events, and will be available in two sizes, regular and family size.

The chief source of enthusiasm, the committee announced is the variety and caliber of entertainment and events that have been decided upon to date.

The enthusiasm of the Committee stems from the variety and high calibre of events that they have arranged to date. The list of attractions is already long and will do nothing but grow over the next few months.

A sports car race on an iced track will be held on two days. It is hoped that

this will involve some 40 to 50 drivers and their families from Toronto, Oshawa and other parts of the province. Trophies and a list of accommodations are still needed in connection with this event. Tom Prentice is hoping to have STP sponsors for this race and the snowmobile events.

There will be a snowmobile safari which will end at a beef barbeque around a giant bonfire. Paul Prentice is working on the possibility of a snowmobile slalom race. It is expected that the timed snowmobile drags will be more interesting to watch this year, with three to four machines participating at once.

The ice in the arena will be put to good use, possibly by the N.H.L. old timers. A figure skating show will also be arranged, completing the entertainment on ice for Friday and Saturday evenings. During the day there will be many participation games on the ice with prizes for the winners. Broomball will be kept to a minimum.

The recreation hall will once again become a beer garden under the guidance of the old pro, Don Crowe. Gord Monk will be in charge of additional activities, including the dance floor, disc jockey, beer drinking contest perhaps a local amateur contest, a fiddler's contest and any other new ideas that hatch before then. The Sock Hop will return, run by Chuck Hewson.

Peter Windover and Moyer Hewitt will direct the opening parade and it is hoped that the Haliburton and Bowmanville Pipe bands will perform.

The list of contests that will be held to get everyone involved includes a competition for home decoration, store decoration and a judgment of the best ice

sculpture. Paul Heffer will be chairing the Beauty Queen Contest.

Local merchants can become involved with displays of their products, and local organizations are urged to take our concessions on games of chance and skill or on food service.

More arrangements and ideas are in the planning stages still, but the committee is expected to publish

new developments as they take shape. As the report shows very clearly, many hours have been spent in the ground work and the results now visible are intriguing.

It won't be long before the Committee will be calling upon the community for help and participation to make the Carnival a great success giving us all something to look forward to besides snow.

Escape

Today I escaped, left the house all alone,
Down into the city, off to roam.
With my two darling children on an all day trip,
I opened the door and out I did slip.

Into the station for a subway train,
Just in time, down came the rain.
Screeching and grinding, its wheels on the rail,
Leaving behind a long silvery trail.

The rain ceased its patter, yet the sky remained grey,
Who is afraid of a damp, wet day?
Reaching by stop I passed through the door,
Sauntering slowly I crossed the floor.

Taking deep breaths I feel twenty feet tall,
I love being alone, don't mind it at all.
There are no little voices telling me what to do,
Just me all alone and I'm not feeling blue

Out in the street I head for the store,
Do all my shopping, then outside once more.
Shall I take a train or a nice long walk?
"It's good for my health," I say, "Don't balk!"

Past the older shops quite small but busy,
All this freedoms too much, I feel slightly dizzy.
The old and the new together they stand,
Giving the street its own special brand.

A few people pass by in a hurry it seems,
Like a leaf in a current, caught in a stream.
I feel quite lazy, I set a slow pace,
The air feels damp on my contented face.

A huge shopping square catches my eye,
Just a look inside, I've no money to buy.
Aisle after aisle, tier upon tier,
Store after store, too expensive I fear.

My shoulders are aching, my feet are like lead,
Catch a bus and towards home I head.
It was a nice little jaunt all by myself,
Feeling just like a lady of wealth.

There it is my home, cosy and warm,
I reach it in time before the storm,
A hot cup of tea and a quick bite to eat,
Restores my shoulders and aching feet.

A noise at the door and who should I see,
Two little kids that belong to me.

Mrs. Carole M. Lidgold,
Scarborough, Ontario

Guilty of thefts

Charged with two counts of theft, Stephen L. Deline pleaded guilty before the court in Minden on Sept. 28. The offences were committed on July 17 and 20.

Two bathing suits were taken from a dresser in a cottage on Kushog Lake.

The second offence involved three bathing suits belonging to Laura Beamish which were taken from a clothesline.

There is a previous conviction of breaking and entering registered against Mr. Deline and he is currently undergoing treatment for what is considered to be a psychiatric problem.

Pending the results of that treatment, Judge Inrig ruled that the case would be adjourned until June 21, 1977, when sentence on the present charges will be decided.

MAIN ST. MINDEN

286-1220

Mrs. Susan Melson and son Jack 1922

Cowson Minden's mainstreet

If pressed, many people could probably imagine meeting cows on the main street of Minden. Of course, if most of us thought we had, especially late on a Friday or Saturday evening, we probably wouldn't admit to it very readily. There are still those, however, who have had it happen and can truthfully tell the tale.

Susan Melson, who has been coming to a cottage on Gull Lake with her husband since around 1920, not only had a run in with some cattle on the main street at about that time, she was unable to see the offending beasts in the darkness. In those days or nights, she remembers, there was only one light visible in town, and that shone from the parlour of the Ransom's hotel which is now the Rockcliffe. She and her companions were lost on the main street, trying to avoid the animals who were probably lost, too, until a man with a lantern came to everyone's rescue.

Mr. and Mrs. J.W. Melson and Mrs. Melson's sister, Mrs. E.M. Banting were generous enough to donate some pictures to the Recorder

and kindly spent some time telling what life used to be like for them when they first came to this area.

In 1918, one arrived in Minden by taking the train a full day's ride from Toronto to Kinmount or Gelert. The train was slow enough to enable passengers to get off and pick will strawberries, apparently, without fear of being left behind.

From the end of the line, one came to Minden by car, if the contraption that the Melsons and their daughter Mrs. Louise Boddy speak of can rightly go by that name. The roads were so rough and the suspension so poor that the driver of one of the shuttle vehicles had a hole cut in the fabric roof of his conveyance so that when he went over a bump he couldn't hit his head.

The Melsons used to spend a night in Minden on their way to and from Gull Lake, and they usually stayed at the Dominion Hotel. The cost was reasonable, to say the least. For four persons, Mr. and Mrs. Melson and two daughters, the charge was 50 cents. Not only that, Mrs. Melson remembers but she once found a dime at

the hotel, which put the cost down even lower.

It was possible then to drive to the University of Toronto Survey Camp on Gull Lake, which was established in 1920. The camp was begun by Mr. Melson, Mr. Banting and three other professors, all of whom built cottages along the lake from the camp. Mrs. Boddy remembers being transported from the camp to the cottage by boat. A prerequisite for this last leg of the journey was a bunch of bracken fern cut by her father for the purpose of warding off mosquitoes.

Mr. Melson, 89, who now can and still does drive into his cottage, says that times really have changed. The mosquitoes used to last all season, he says, nothing like now.

There is a saying that would have it that the more things change they stay the same. Whoever came up with that one certainly hasn't seen the changes that some people have. The only thing that may never have altered is the speed of the northbound trains. Unfortunately, the wild strawberries have been well weeded out.

Norland Notebook

by Barbara Maunder

Verna Crego, Kinmount, won the jackpot at the Bingo, sponsored by Ladies Auxiliary of Firemen, on Mon. Sept. 27. That concluded the Bingo until next Spring when it will again resume.

Our Keneta Grill owner, Mrs. Greta Smith, has returned again after spending a holiday with her brother and family in Mattawa. Greta plans to be open her regular hours until the new year.

Norland has without water on Thursday for an hour and a half because they were pouring concrete near the town water in-take. Most of you are aware, I'm sure, that the dam on Highway 503 is having a facelift some 18 inches of new concrete is being added to it. This work was started in July and could continue for another one to two months.

The friends of Mr. and Mrs. L. Thomas gathered at the United Church Hall on Sat. Oct. 2 to offer their best wishes to Ada and Les on the occasion of their fiftieth wedding anniversary. Their daughter Mrs. Jean Barker and Mrs. Gertie Crittenden arranged the lovely tea and the weather certainly co-operated also.

My husband, daughter and I spend three very pleasant days early last week in Sault Ste. Marie area enjoyed the bright fall colours. We went by train early Tuesday morning to the Agawa Canyon, had a 2 hour lunch stop-over in the park and returned to the Soo that evening. This is a very popular trip at this time of year and there were some 1,180 people aboard the Algoma Central Railway which consisted of 21 coaches and 2 dining cars pulled by 4 diesel locomotives.

Sat. Oct. 9, is the last day to save at the UCW opportunity shop from 1-4 o'clock. We thank all who have given us articles for the shop and ask that you, please, do not bring us anything more because we have no winter storage for the articles. Do keep us in mind next spring, because we expect to open again in Summer.

The final Restructuring Report of Victoria County is available for reference in the library. This report should be of concern to everyone because all indications are, that if Victoria County is restructured, taxes will increase substantially.

Happy new great uncle and aunt are Mr. and Mrs. Richard Robertson with the arrival of twin girls to their niece and her husband, Mr. and Mrs. J. Vleming of Orillia. Congratulations to all.

HELPFUL HINT

After one has put the meringue on a pie, cut or groove it with a knife for the six pieces. Then, when browned and ready to serve, the pie will cut nicely without the meringue sticking. One precaution - just put sugar in the meringue, none on top.

Recipe for Pineapple-mint Jelly that appeared in last week's column, the mint infusion should have read ¼ cup after boiling and sieving it.

QUICK PIZZA

½ pound heat'n serve sausages
2 hamburger buns
½ cup chili sauce (or chop pickle relish and ketchup)
1 cup grated cheese
oregano
Split toast and butter buns - on each half spread a tablespoon of chili sauce. Cut sausages into slices and arrange on top. Sprinkle with cheese and a little oregano. Broil in oven until cheese melts. Serve hot.

Little people are rarely thankful. Grateful people are never small.
Hope your Thanksgiving is a happy one.

CNIB advisory committee

On. Sept. 22, six members of the Haliburton County Advisory Committee of the Canadian National Institute

Two remanded for reports

Charged with several counts of Breaking and entering, Joseph Aspek and Christopher Morrow pleaded guilty before provincial court in Minden on September 29. Both have been remanded for sentence to October 26 when pre-sentence report will have been prepared. Both are in custody until that date.

The two were charged with breaking into several of the Browndale establishments, the offices, the Airport Farm, Ira Berry Farm, Morrison House and Stanhope School House.

Joseph Aspek also pleaded guilty to a charge of uttering a forged document. He tried to cash a forged unemployment cheque on September 24 at a bank in Haliburton village.

for the Blind met in Haliburton.

District Administrator, Don Ferguson, from Peterborough was in attendance and visited seven people in our area who are registered with the C.N.I.B.

Being blind himself, Don understands the handicap and is able to be of assistance in many ways through the C.N.I.B. benefits.

President Ron Barr commented on a very good canvass last year and plans are now underway for the C.N.I.B. canvass in October in the Haliburton County.

Present members of the Haliburton County Advisory Committee are: Ron Barr, Ross Harrison, Marie Wallace, Ron Hoare, Lois Emmerson, Dorothy Way, Mrs. Carl Tallman, Mr. & Mrs. Lorne Coburn, Mrs. Lloyd Watson, Ron Curry, Stuart Baker, Mrs. Wallace Wagg, Carol Cook, Carl Doey, Evelyn Brooks.

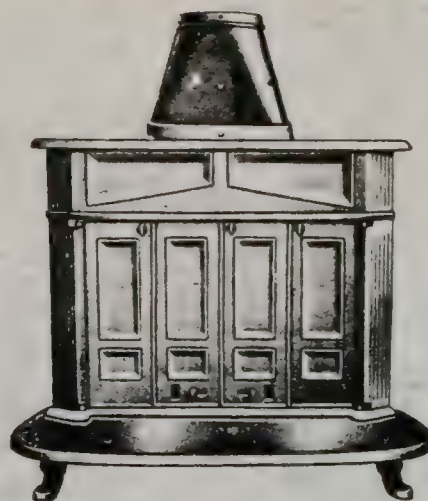

Pleads guilty

Clifford G. Patriquin of the Guelph area pleaded guilty in provincial court to a charge of breaking and entering and theft at the Browndale Airport House in Stanhope on July 14.

Patriquin was involved in the theft of stereos, a television and a radio of \$350 value. Sentence was adjourned until November 15 in Lindsay, when a pre-sentence report on Mr. Patriquin will have been compiled and the other two accused brought to the court.

Two others who were charged in connection with the incident, Joseph McGraw and Spencer Mack, failed to appear in court.

THE FRANKLIN

Invented by Benjamin Franklin, the Franklin is the most popular free standing fireplace today. Two front doors open for loading coal or wood and expose an optional grill for cooking and barbecuing. Solid cast iron, the charming Franklin weighs 264 lbs., with a 30" front opening.

Eakins wants action on tourist business

John Eakins, MPP Victoria-Halliburton, today called upon the Minister of Industry & Tourism to take action to ensure that non-prosperous tourist season the province has just experienced will not be repeated next year.

Specifically, he urged that radio reports advising people that the Provincial Parks are full be expanded to include similar information on the province's many private campgrounds. "Private businessmen operating such camping areas have suffered a great loss of visitors due to the number of people who turn back of decide not to go camping at all upon hearing reports that the Provincial Parks are full," he said.

Mr. Eakins noted that unless the broadcasts can be changed to include the private campgrounds, many of the small businessmen operating them may be forced to discontinue providing such a service to the residents and tourists throughout the province.

Coboconk News

by Sheila Lake

Coboconk bowling is in full swing for the 1976-77 season. That string of cars leaving about 8:30 on Tuesday nights means about 48 local and area bowlers are heading for Fenelon Lanes. We still have room for a couple of regular bowlers and what we need are some people who would like to bowl once in a while as spares. We would like to interest recently retired people in the area to come out for a fun night on the Lanes. If interested please call secretary, Ruby Powell, at 454-3510. We will be having a more detailed account of our bowling in a week or so.

For the Bingo fans the jack pot did not go on the Thurs. night at the Legion, so this week it is up to \$190.00 with 60 numbers to be called. Of course there are many other games of the night for a chance to win from \$30.00 to \$100.00 for a full card.

Tickets for the Legion Thanksgiving Dinner sold briskly on the week end. However, it appears there will be a few available at the door. We would like to contact any shut ins or those with no transportation, to inform you that by calling 454-8127 we can arrange either to pick you up or make up a Thanksgiving dinner and take it to you. Please phone for early sitting - 4 p.m.

Mrs. Jack McDonald of Toronto and Mrs. Jack Brayfield of Don Mills visited their cousin Mrs. Mary Limrick last week. Sunday visitors with Mary

were Mr. and Mrs. Jim Olfield of Brechin, Mr. and Mrs. Harry Bassinger of Malton and Mr. and Mrs. Percy Basinger of Aylmer.

Mrs. Annie Clark and Susan of Aberdeen, Scotland visited their relatives, Mr. and Mrs. Earl Smith last week.

Congratulations to Roddy Cameron who celebrated his 79th birthday on the week end. Mr. Cameron is a very active 79 year old and would put a lot of young folk to shame any day - honestly he is 79 years young!

Saturday evening we took a drive down Uxbridge way. My husband often gets an urge to look at a new lot of his favourite animal - Apalo-

osa horses. Heading west through Sunderland, at about 6:30 p.m. the sun was a scarlet red as it settled in the west - hard to believe it was October - a beautiful warm evening.

Congratulations to the three brave firemen who undertook to prove they were good walkers! They headed from Orillia to Coboconk about 10 Minutes to three a.m. Saturday morning. Roy Bowins proved

the most steadfast! George Lake and Edgar Fildey dropped out after twenty some odd miles. Roy, I believe made it to Norland. It is forty miles over to Orillia, so the fellows done well! What about the ones who backed out of the walkathon at the last moment? The fellows were walking to raise money for a van for the Fire Dept. to hold their shower proof hats, coats, boots, etc.

Two guilty of thefts

Dwane Atkinson of Harcourt and Robert Burger of the Bancroft area pleaded guilty in provincial court to two counts of theft over \$200. Atkinson was also convicted of impaired driving. Burger pleaded guilty to an addition charge of willful damage to the property of Victor Gendenning.

Atkinson and Burger stole two vehicles from G.W. Martin Lumber Co. in Harcourt. They were sentenced to 14 days in prison, concurrent sentences for the two offences, and were also put on probation for a two year period. Restitution of \$304 each is also to be paid to the owner of the property.

Dog loose fined \$1

Lawrence Hogg of RR 1, Minden was fined one dollar and no costs for allowing his dog to run at large during a closed season on deer.

The Ministry of Natural Resources is responsible for enforcing the charge that a dog is to be kept tied and away from areas where deer are at large if the season is closed.

Brian Loughlin was tried in absentia for a charge of fishing in a closed season. He was fined \$40 and costs.

BULLDOZING AND EXCAVATING

Hawk Lake inquest

from page 1

strutting should be used and that the operation "should be supervised by a qualified individual".

Warren Jenner, a promotional sales representative who has been with Westeel Rosco for 23 years, testified on Thursday that he had assumed that Tye Irwin was a professional engineer employed by Curry Bishop Ltd., and that Irwin was supervising the construction of the Hawk Lake causeway, and would complete the necessary compaction tests.

Westeel does not stay at the site during construction unless asked to do so by the buyer of the culvert, Mr. Jenner testified.

The company does provide assistance with design of the structure and with methods of construction, but these are considered to be a part of the promotion of the product, Azar, an engineer with Westeel testified. Supervision by Westeel would mean that an engineer of his representative would be at the site while work was going on, Mr. Azar said. The charge for this service is \$150 per day.

Jenner said that he had offered to visit the site when

he was in the area, as Irwin had testified, but that he didn't offer his assistance in terms of supervision.

"The supervision was there if required at \$150 per day" Mr. Jenner said. Mr. Jenner testified that when the \$150 per day was discussed at a meeting with Irwin on October 1, 1975, he "was told that they were capable of supervising it themselves."

An invoice on exhibit from Westeel indicates the charge for supervision as \$150 per day, but not bill for the six days that Mr. Jenner was present at the site had been submitted to Curry Bishop Ltd., Bishop and Irwin testified earlier. Mr. Irwin said that he expected to be charged for supervision, and that the invoice indicated that the charge would have been forthcoming.

Mr. Jenner however, said that the invoice does not indicate that any such amount will be billed. Its appearance on the invoice is standard, and is intended to inform the customer that supervision is available at that cost, Mr. Jenner said. He said that the total bill had been submitted.

It was assumed by Westeel Rosco that Irwin Construction Services was the contractor of the project, Mr. Jenner said. The order for the culvert was made to Irwin Construction from Jenner's office, so Mr. Jenner assumed that Irwin Construction was the contractor. He testified that he did not have that much contact with Curry Bishop Ltd., and was uncertain as to what role they took.

Mr. Jenner said further that he did not know the Mr. Irwin had not been at the site during construction.

Mr. Jenner and Mr. Azar one of Jenner's supervisors at the time were called to the site when a gap of about 15 feet remained at the top of the culvert after the plates had been bolted together. Mr. Azar said that he did not check the radius of the culvert because there were other valid reasons for the gap. He noticed that the haunches of the culvert had no support and that all the seams had been bolted tight, which would cause the culvert to fall outwards rather than inwards.

A great deal of force would be required to draw the culvert together Mr. Azar admitted, but he said that if the culvert were brought into the shape it should be, it wouldn't hurt.

John McAdam of Big Hawk Landing, who gave evidence on the first day of the inquest was recalled to the stand and testified that at one point during the winter he had observed the backfill at the site, to be eight to ten feet higher on one side of the culvert than on the other.

Mr. Azar testified that he would have learned of the uneven backfilling after Mr. Jenner's visit to the site on January 22. Mr. Azar said that he was concerned because he "considered it poor practice". He said that Jenner had told him that the contractor or someone at the job site had been notified, and he considered that would be adequate to have the problem corrected.

Mr. Azar said that while he expected that a customer would take Westeel's advice, Jenner's visits did not constitute an unusual degree of involvement and were within the scope of promotional work done by the company. They did not consider they were supervising the project, Mr. Azar said.

He noted that Westeel usually supplies to government bodies who have their own specifications for the design and construction of this type of structure. There

is no building code for this type of construction and no authority to check plans unless it is on a highway or municipal road, he said.

The invoice from Westeel for the products that they supplied was addressed to Irwin Construction, Mr. Jenner said. The Hawk Lake Cottager's Association received the invoice attached to a certificate of payment from Curry Bishop Ltd., as consulting engineers. It was directed to the Association care of Irwin Construction, counsel noted. Mr. Jenner testified that he didn't "know who put that on the top" of the invoice.

Ross MacDonald of RR 2, Minden, a labourer at the site, said that he was paid by Irwin Construction.

Timothy Hughes of Minden who worked on the construction said that his paycheck was signed by Tye Irwin, but did not know whether it was sent from Curry Bishop Ltd. or from Irwin Construction. He assumed, he said, that he was working for Irwin.

Irwin testified earlier that the labourers had been paid by the cottager's association.

William McAdam of Hawk Lake Landing and Bruce Cook of Haliburton, road superintendent for the Hawk Lake area testified that near the beginning of May they discovered cracks in the road bed of the bridge, six to ten feet from the edge of the culvert. Mr. Cook cut a twig about four feet long and was able to insert it into the

largest crack to a depth of approximately three feet.

John McAdam, the second or third person at the site after the collapse, said that he saw ice in the dirt not far from where the culvert would

from where the culvert would have been.

Mr. Hughes said that frozen backfill was scraped off each morning during construction. Work was stopped at the site, he noted, for more than two weeks because of the extreme cold.

Larry Hewitt, who worked at the site as a labourer, said that when he was at the culvert after the collapse and was asked to push earth from the north side of the causeway into the water in order to help in clearing operations, he found frozen material about 40 feet back from the edge of the culvert.

Mr. Hewitt also testified that he had stood with Warren Jenner while the concrete end walls were being poured, and said that he had not heard Mr. Jenner given any orders to the workmen. Jenner had testified that he was at the site when the concrete was being poured, but not as a supervisor.

Mr. Azar of Westeel was recalled to the stand on Tuesday and testified that the evidence given by Elgin Stouffer of R.R. 2, Minden on Friday with respect to the radius of the culvert was not sufficient to indicate that the wrong radii plates were supplied. Harry Curry Bish-

op was also recalled to the stand and calculated the radius that the culvert should be, saying that the measurements taken by Mr. Stouffer indicated a substantial difference from the theoretical model. Mr. Stouffer had measured the plates with a two by four, the coroner, Dr. Bennett, pointed out and said that he considered Mr. Stouffer's measurements to be rough calculations, that had in fact arrived at a fair rough estimate of the radii of the plates.

Tuesday afternoon the jurors were taken to the site of the collapsed causeway. Following a period for their questions, the inquest has been adjourned until Tuesday, October 12, when the crown and counsellors will summarize the evidence for the jury.

Commercial bowling league standings

The standings of the Men's Commercial Bowling League are as follows: Rockcliffe Hotel; 53: Minden Progress; 48: Ingoldsby; 47: Cox's Colts; 43: Minden Billiards; 34.

High single: David Sawyers; 338: High triple: Bob Robinson; 770: High average Gord Everall; 244.

Prevent fires

from page 1

If a fire does break out, the most important advice is not to panic. Leave the house quickly, closing the doors, and make sure that no one re-enters the building. Call the Fire Department from outside your home.

In the case of clothing fires, the fire must be

smothered. Running only spreads the flames by increasing the air flow. The person whose clothes are on fire should lie down and be rolled in a blanket or coat. The fire should be beaten out gently.

Cooking fires are a common danger. The heat under the fire should be turned off, and the pan covered with a tight fitting lid that should be available. Never carry a burning pan. Use a fire extinguisher or baking soda but never use water on a grease fire. Explosions can occur when the hot grease and water are mixed.

It is wise to have an escape plan prepared for the event of fire, and the Fire Department is here to help with such a precaution.

This week the Fire Department hopes to reach most of the community with its advice, so that fewer home owners will have to call on the Department's services in times of emergency.

Mr. Jackson reports that the response of the local businessmen to the advance publicity was very encouraging. It is hoped that the exceptional reception of the program that has been noticed by Mr. Jackson will continue throughout the week.

Haliburton County Council

County Council of the Provisional County of Haliburton assembled for the regular September meeting in the Council Chambers on Wednesday, September 15, 1976, at 10:00 a.m., with all nineteen declared the meeting open for business.

77/76 Approval of Minutes That we approve minutes of the meeting of June 16, 1976 as circulated. Carried.

Finance Report Finance Chairman Lloyd Coneybeare reviewed the disbursement sheet, and the general financial status with reference to the six month statement. Norman Locke read a letter from the Kawartha Haliburton Children's Aid Society relative to the revised budget.

78/76 Approval of Revised Children's Aid Budget That we accept the revised 1976 estimates for the Kawartha Haliburton Children's Aid Society as approved by the Ministry of Community and Social Services, whereby the contribution from the Provincial County of Haliburton is increased by \$74.00 for the year. Carried.

79/76 Approval of Accounts That we approve payment of cheques numbered 259 to 408 inclusive in the amount of \$115,670.58. Deputy Reeve Douglas Pritchard declared interest and abstained from voting. Carried.

Correspondence Clerk Winifred Lahay read items of correspondence as requested: From the Hon. William G. Davis, Premier of Ontario: acknowledging County letter re. closing hospitals.

the Hon. William G. Davis, Premier of Ontario: acknowledging letter urging amendment to legislation pertaining to predator control. Townships of Anson, Hindon & Minden: resolution recording appeal of apportionment of County Levy for 1976 on basis of appeal of apportionment of Education levy.

Township of Anson, Hindon & Minden to Judge George Inrig: appealing decision of County Council relative to determination of representation on School Board.

Townships of Anson, Hindon & Minden: notification of proposed re-zoning of property in the neighbourhood. Statistics Canada: Preliminary census population count for County 10,456.

Ministry Community & Social Services: appeal of revised estimates 1976 for Children's Aid Society.

Haliburton Kawartha Pine Ridge District Health Unit: current status of proposed amalgamation (Peterborough County not agreeable) County of Peterborough: resolution pressing for legislation prohibiting Board of Education capital expenditures without knowledge of Council.

A.C.R.O. Special membership rate.

Mrs. Elsie Bursey: (retiring Administrator of Hyland Crest): appreciation of retirement gift.

81/76 Acceptance of Correspondence

That the correspondence be accepted as read. Carried.

81/76 Concurrence with Peterborough County/Control - Capital Expenditures: Boards of Education.

Be it resolved that County Council do concur with the request of Peterborough County regarding control and planning of capital expenditures by Boards of Education. Carried.

82/76 By-law 985 Road Closing Township of Stanhope

That by-law 985, having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law for the purpose of confirming by-law No. 76-6 of the Township of Stanhope to stop up and close a portion of the original allowance for road between Concessions 6 and 7 across part of Lot 11 for the Township of Stanhope. Carried.

County Road Report County Road Chairman S.G. Nesbitt and County Engineer Bill Obee reported on County Road construction and maintenance.

83/76 By-law 984 Confirming Proceedings of Road Committee That By-law 984 having been read a first time, be considered read a second and third time, passed, signed, and the Corporate Seal attached, being a by-law to confirm proceedings of the Road Committee of the Provisional County of Haliburton from January 1, 1976 to June 8, 1976. Carried.

Property Report Property Chairman Lloyd Walker reported on repairs to flag poles and County Office Building.

Hyland Crest Senior Citizens Home

Hyland Crest Committee of

Management Chairman Jim Harrison reported on the retirement of Mrs. Elsie Bursey as Administrator. Mr. Sid Brown has succeeded Mrs. Bursey and is at present on the required course for new administrators arranged by the Ministry of Community and Social Services.

Health Unit Deputy Reeve Keith Tallman reported on the amalgamation proposal with the Health Units, which to date has been rejected by Peterborough County. The Haliburton Kawartha Pine Ridge Health Unit has held several meetings attended by the Ministry of Labor representatives who were unable to offer recommendations for settlement of the agreement with the Nurses. The Nurses are back at work but without a settlement.

Chamber of Commerce Deputy Reeve Fred Baum reported on a Children's Aid Meeting held in July. The Operation was within budget to the end of June.

Haliburton County Economic Development Commission Mr. Robert J. Bishop Sr., Chairman of the Haliburton County Economic Development Commission outlined the efforts of the Commission, the response from notices enclosed with tax bills, the production of the Industrial Brochures which were circulated to each member, and the active support of the Commission to support expansion of two existing industries within the County.

Environment Inspections Reeve Patrick Conaghan reported on lots which were not granted severance because of unfavourable environment recommendations. Representation October meeting

A representative from the Health Unit will be invited to attend the October meeting of County Council to explain criteria and systems which are required to warrant approval for creation of a new lot.

84/76 Appeal to open Snowmobile Trail Haliburton Lake to Whitney

That Haliburton County Council appeal to the Honourable Leo Bernier, Minister of Natural Resources, in support of the Haliburton County Snowmobile Association to have the "Hydro Trail" from Haliburton Lake to Whitney reopened for snowmobiling, and if necessary to send a delegation to

see Mr. Bernier as we can ill afford the loss of tourism dollars in 1976 and 1977; and a copy of this resolution to be sent to Hon. Claude Bennett, Minister of Industry and Tourism. Carried.

Appropriate Action in sup-

port of Resolution No. 84. Council agreed verbally that members concerned should follow up any action deemed appropriate within the recommendation of Resolution No. 84 prior to the next meeting of County Council.

85/76 Accident Insurance That the Insurance coverage for County Council members be increased. Carried. Adjournment The September meeting of County Council was adjourned at 12:15 p.m.

Licence suspended for driving while disqualified

Stephen Stone pleaded guilty in provincial court in

Kinsmen

tournament

A three under par, nine hole score of 33 gave Jim Badgley the low gross crown in the first annual Haliburton Kinsmen golf tournament played at Blairhampton Golf Club.

Bob Nichol, finished second in the low gross section with a 38.

The low net crown in the tournament went to Bev Billings whose gross of 41 gave him a net of 34. Paul Prentice was second with a 36.

Clarke Bailey fired a 72 over the nine holes to take home the most honest golfer award.

Lee Stamp picked up a special award for hitting his tee shot closest to the hole on the third at Blairhampton. Lee put his shot within three feet of the cup.

Minden September 28 to a charge of driving while his licence was suspended. Mr. Stone testified that he had taken the wheel momentarily to relieve Mr. Durant, a member of their entertaining group until such time as they could find a place to pull over and rest. Jack Vickory, of Minden, a passenger, confirmed Mr. Stone's testimony. Judge Inrig took this into account with regard to sentence Mr.

regard to sentence and Mr. Stone received a fine of \$50 and costs. The Highway Traffic act provides an automatic suspension of licence for conviction on such a charge.

Kenneth R. Beckett, also charged with driving while his licence was suspended on August 25 in Anson Twp. was fined \$50 and costs. His licence was also suspended automatically for a mandatory three month period.

Report from Queen's Park

By MPP John Eakins

The Provincial Government's financial restraint program has had considerable effect on social service facilities in Ontario. The Minister of Community and Social Services has made it plain from the outset that he has every intention of giving priority to budgetary considerations. In the changed circumstances, municipalities, service clubs, companies and individuals have made a very special effort to ensure that our senior citizens, in particular, are not deprived of much-needed facilities and services. Senior citizen homes have themselves made many valuable contributions.

Statistics from the Ministry show that the number of residents in both municipal and charitable homes for the aged is now more than 24,000, that 500 new resident beds will be available later this year, or next year. In the area of support services in the community, province-wide figures show a substantial increase in the level of service delivery, with nearly 10 per cent more homes participating in the meals-on-wheels and vacation care programs that a year ago.

As the Minister has recently pointed out, the challenge which faced those interested in the welfare of our senior citizens when the Government's restraint program was announced was quite simple: develop a delivery system: develop a delivery system which would limit costs while maintaining a high level of service. Administration of homes has been reorganized very successfully, more effective use is being made of staff capabilities, and greater community use of facilities for the aged is being developed, to keep senior citizens fully participating members of the community as well as reducing administration costs. More homes have approached the community for support, and many new projects and programs have been undertaken.

In Parry Sound, for ample, the community has undertaken a campaign to raise funds for a swimming pool for a senior citizen home, while service clubs, auxiliaries and other community groups have made a valuable contribution. A Ministry facility in Oakville has a programmed to help retarded children, a home economist at another home is planning and budgeting meals for the community.

Niagara homes have developed a program under which residents contact other senior citizens in the community to develop closer relationships between the homes and the community. In Sudbury, consideration is being given to the possible involvement of the mentally retarded in the maintenance of a home, and the newly-opened Lee Manor Home in Owen Sound is being used not only as a residence and recreation centre for seniors, but as a meeting place for community groups.

According to the Ministry, only one senior citizen in twenty lives in an institutional group setting. The majority live on their own or with a spouse.

Recently the Minister has stressed the necessity of finding alternatives to institutional care for senior citizens, and the Ministry is developing programs to enable and encourage

people to live in the community after retirement, to have the choice of either entering a residential home or remaining in the community, without being forced to make that decision due to lack of money or services outside an institution.

In the opinion of the Minister, the means to provide alternatives to institutional care are available in the community. In some areas this might involve bringing together all the services available under present legislation, while in other areas new programs would have to be developed.

As I said before, the Minister clearly has every intention of giving priority to budgetary considerations. (It is interesting to note in this connection that 7 per cent of the tax dollar is allocated to social services, the same percentage as is allocated to servicing the provincial debt.)

In the circumstances, the efforts of senior citizen homes, organizations, companies and individuals to make life a little easier and more interesting for our senior citizens are more necessary than ever before. The response from the private sector has been remarkable, and every attempt has been made to fill any gap left by government restraint measures.

The Minister has invited municipalities, associations and others to come forward with proposals to develop alternatives to residential programs, indicating the government would welcome imaginative, innovative, concerned and practical proposals which can be tested on a demonstration basis. He has given the assurance that where such proposals are feasible, funds would be made available to put them to test.

Possibly you have a suggestion for increased utilization of existing facilities, or for alternatives to institutional care. If so, I would be very interested to hear your ideas, or you may prefer to contact the Minister directly.

See you next week.

Man pleads guilty to willful damage

Daniel E. McKelvy pleaded guilty to a charge of willful destruction and damage to Mae's Book Store, Minden, on August 7, pleaded guilty to this, his first offence. Mr. McKelvy 19, was responsible for breaking a window of the store when he pushed another person's head through the window during a dispute, the evidence stated. Since he had already made full restitution, the judge granted absolute discharge, and warned against the over consumption of alcohol that may have aggravated the incident.

Snowdon Council

The regular meeting of Council was held on September 8th, 1976 at 7 p.m. with Reeve Robert Vick in the chair and all members in attendance. Also present were Messrs. C. Francis and R. Stewart regarding Land Severance Applications and Messrs. M. Louicks and W. Riddell representing the Canning Lake Cottagers Association.

Moved by J. Francis Seconded R. Graham That the minutes of the August 11th meeting be adopted as read.

Moved by G. Hicks Seconded R. Graham That Land Severance Applications no. H253/76, H283-76 and H287/76 be approved, application number no. H281/76 not approved as clarification is required as to the proposed entrance to the property.

Moved by R. Graham Seconded D. Smedmor That this Council is of the opinion that in the matter of maintenance of boundary roads between this municipality and the Corporation of the Township of Anson, Hindon and Minden and, the Township of Snowdon should be responsible for the road on lot 17 concession 1 and the other municipality be responsible for the roads on lots 26 and 27, concession 1.

Moved by R. Graham Seconded G. Hicks That the Clerk order 30 ton of bulk salt for winter road usage.

Moved by J. Francis Seconded D. Smedmor

That Road Voucher #8 in the amount of \$1,645.63 be approved for payment.

Moved by D. Smedmor Seconded G. Hicks That under section 547 (1) of The Municipal Act, the 1976 assessment on property 46 12 140 150 018 00 be apportioned as follows: Property 46 12 140 150 018 00 be Residential \$300 Commercial \$200, Business \$100. Property 46 12 140 150 017 00 Residential \$200, Property 46 12 140 150 017 01 Residential \$50, Property 46 12 140 150 017 02 Residential \$200.

Moved by D. Smedmor Seconded G. Hicks That at the present time this

Council is not in favour of leasing the road allowance between concessions 13 and 14 to the owner of part lot 6, concession 13.

Moved by J. Francis Seconded R. Graham That the General Accounts in the amount of \$3,599.72 and Welfare in the amount of \$1,531.43 for the month of August be approved. Moved by J. Francis Seconded R. Graham That this meeting be adjourned until the next regular meeting of Council on October 13th, 1976 at 7 p.m. unless called sooner by the Reeve. Time of Adjournment 11:30 p.m.

Full Gospel Business Men's FELLOWSHIP DINNER

Deer Lodge - Haliburton
Saturday, October 16, 1976 at 7 P.M.

Our guest speaker this month will be Judge H.D. Peterson from Bruce Mines, Ontario. Harold is a Provincial Judge, Criminal Division and has been on the bench for 29 years. The Judge has several testimonies of God's love and protection to relate, including a shooting incident at one of his Court sessions, in 1975.

ALL WELCOME

IN MEMORIAM

WELCH - Douglas Gary, "cherished memories of Doug"

If we could have one lifetime wish,
One dream that could come true,
We'd pray to God with all our hearts,
For yesterday with you.

Always remembered by Robert, Nancy and family.

STAMP - In loving memory of our dear brother and uncle, Leon, who left us so suddenly three years ago on October 12th.

If we could have one lifetime wish,
One dream that could come true,
We'd pray to God with all our hearts,
For yesterday with you.

Sadly missed and always remembered by Shirley, Glenn, Aldo and Glenda.

The facts about advertising in Haliburton County

Over the next few weeks we'll be giving you the Facts about advertising in Haliburton County. We'll deal with effective advertising, costs, reach and much more.

For instance, a little known fact is that the actual cost of reaching people with your advertising message in The Echo and The Minden Recorder is going down. It's because circulation is far outgrowing any increases in the advertising rate.

Three years ago the cost of reaching each Echo subscriber with a full page ad was 4½ cents, a pretty good bargain. Today to reach the same Echo subscriber with the same size ad is about 3½ cents. And when you advertise on a combined basis in both The Echo and The Recorder the cost for the same size ad is under 3 cents.

If you look at the facts, they'll tell you the real story.

H.H.S.S. News

by Becky Davidson

Another busy week at H.H.S.S.

Miss Keohler and 10 enthusiasts were out canoeing last Saturday and Sunday. The trip covered Lakes Bentshoe, Poker and Big East. The trippers said it was very cold but they had a great time, in spite of the weather.

Nine schools took part in the golf tournament at Blairhampton, September 29. Crestwood took 1st and Thomas A. Stewart from Peterborough came 2nd. Although H.H.S.S. came 8th the team really put forth a good effort: Paul Madden 89, Grant Wallace 90, Bernie Nichols, 91, Brian Mulholland 93, Dean Hewitt 100.

New organizations started this week are Christian Fellowship: Mrs. English and Junior Band: Miss McKen.

Tryouts for the Reach For The Top team have begun under the supervision of Mr. B. Vallentine. This year, 9 students from grades 12 and 13 are trying out. Only 4 students plus 1 "sub" will be chosen. Their first match will be Jan. 16 against Bramalea. It will not be televised until March 16.

This year's Students' Council Executive is as follows: President: Lynn Barnhart, Vice-President: Karen Bell and Secretary-Treasurer: Henny VanLieshout. The Council organizes various activities for student involvement throughout the school year.

Our football team's first home game was against Fenelon, October 1. It was a very close game. Fenelon won 26-22. The team played a great game. Outstanding offensive player was Larry Stinson and Tim Oram was the outstanding defensive player. The Pep Rally, held just before the game is a very important event as it starts the spirit pulsating throughout the student body for the big kickoff. The core of our school spirit generates from our 12 cheerleaders. Head Cheerleader, Louise Fleming, comments: "In all 4 years of cheerleading, I've never seen as much school spirit as in this year. The girls are just great!"

The musical highlight of this week was a trip to the O'Keefe Centre to see Puccini's "La Boheme". Mr. Gliddon did a fine job in supervising the 31 students who attended. The opera was a great cultural experience enjoyed by all. We are fortunate that our school provides so many chances for extramural learning as education should not always be confined to a classroom.

Impaired driving convictions

There were several charges of impaired driving,

Rotarians hold golf tourney

The Rotarians of Haliburton and Minden held a golf tournament at Blairhampton Golf Course on Wednesday, September 29. The participants enjoyed a barbecue at the golf course after they had tabulated the following results.

Best Rotarian, Low gross - Ken Wilson, 90: **Best Rotarian**, Low Net - Joe Iles, 77.

Best Guest, Low gross - Dr. Denis Murpny, 80: **Best Guest**, Low net - Deac Jackson, 80.

The best foursome was made by Ken Wilson, Dave Waite, Brian Black and Al Coneybeare. The worst foursome reported was Richard Parisotto, Joe Dollo, Jerry Pillsworth and Art Dawson.

The longest drive, a shot of about 290 yards, was hit by Dave Wight.

The final award, which carries a lot of distinction, was the award for the most honest golfer. It went to Joe Dollo, who turned in a gross score of 174.

careless driving, and driving while prohibited to do so tried at the provincial court September 28 and on September 30.

Glenn Bowman was fined \$100 and costs for a conviction of driving with a level of alcohol in the blood exceeding .08 per cent.

Hartley J. Bacon, convicted of driving while impaired, paired, was involved in an accident on Hwy. 519 when he struck the rear of a car that was turning off the highway. He was fined \$200 and costs.

Stopped on the main street of Minden, Helen M. Terry was charged with impaired driving on July 17. She pleaded guilty to the charge and was fined \$200 and costs.

William J. Rose was found guilty of impaired driving on July 31, and was fined \$100 and costs.

Kenneth R. Beckett was fined \$50. and costs for a conviction of driving while his licence was suspended on August 25 in Anson Township.

After involved in an accident that caused damage of \$500 to two cars on August 15, Martin W. Garland was convicted of driving while impaired and was fined \$300 and costs.

Larry Faul was found guilty of impaired driving was fined \$200 and costs.

Serving a three month concurrent sentence for two counts of impaired driving is Alan Parish. This charge was waived to this court from Brechin.

John Saunders received a fine of \$120 and costs for impaired driving.

Michael Collis and Timothy Stevens were both fined \$75. and costs for driving with an open container of

liquor in the car.

Convicted on a charge of impaired driving, Calvin Kent was fined \$200 and costs.

On Thursday, September 30, Iain Henderson received a sentence of 14 days imprisonment and 60 days probation, with the condition that he consume no alcohol for that period, on a charge of impaired driving. He also received a fine of \$75 for driving with an open container of liquor in the car.

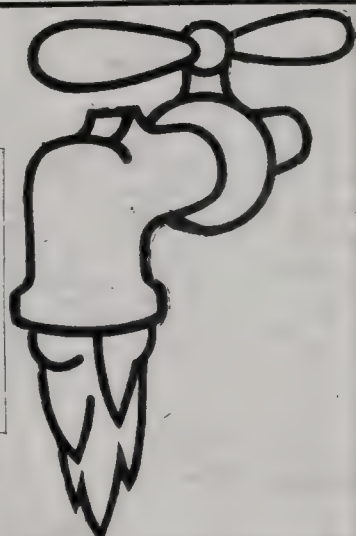

Moss Davis, was fined \$160 and costs on a conviction of impaired driving.

All of these offences carry an automatic three month suspension of the accused's driver's licence upon conviction. This penalty is provided by the Highway Traffic Act. The Judge in court can lengthen the period of suspension but may not dismiss it.

Waterline Freeze-up ! A thing of the Past..

...With Pyrotex "winterized" plastic pipe you can prevent water freezing in cold weather. This pipe has electric heating cable already installed inside it. You don't even have to go the expense of excavating in rocky ground - there's no need to go below the frost level, or insulate to zero 'F. For lower temperatures, the pipe must be protected from the wind. It's easy to hook up...absolutely safe [CSA approved]...and dependable. It's ideal for cottage, resort and farm water supply systems.

Bannon wins in Dysart et al race

Dysart et al ended up Monday night after the municipal election with two new councillors, a new deputy reeve and one new school board member.

Harold Bannon started strong and never looked back all night coming up with a 350 vote margin in his bid for the deputy reeve post.

Bannon took a total of 1,028 compared to 679 for incumbent Lloyd Coneybeare.

The only losses Bannon suffered at the polls were in the Harcourt advance which went 13 to 4 in favor of Coneybeare and ward 3, the Eagle Lake area which went 70 to 67 in favor of Coneybeare.

The Harcourt area went strong for Bannon, who served on council before running for the municipality's top post. In that area Bannon picked up 52 votes compared to 27 for Coneybeare.

In Donald it was the same story, Bannon with 34 and Coneybeare with 10.

In the two village polls it was almost all Bannon who came up with 193 on one and 171 on the other. Coneybeare posted 119 and 90 on the two polls.

In ward two Bannon had 204 to 179 for Coneybeare, the advance Haliburton Poll went 108 to 99 in favor of Bannon and West Guilford went 195 to 72 for Bannon.

2 new councillors elected in Minden

Anson, Hindon and Minden has two new councillors one new school board member as a result of Monday's Municipal election.

In the contest for deputy reeve, Doug Pritchard came out on top polling 524 votes to 421 for Bob Gorrie. Pritchard is the incumbent

deputy reeve and Gorrie served on the council.

Pritchard picked up an edge on seven of the nine polls.

In the advance poll it went 22 Pritchard, 13 Gorrie, Poll 1A 74 Pritchard, 67 Gorrie, 1B 64 Pritchard, 62 Gorrie, 1C 81 Pritchard 68 Gorrie.

1D 65 Pritchard, 52 Gorrie, 1E 90 Pritchard, 40 Gorrie Poll 4 27 Pritchard, 11 Gorrie.

Gorrie came out on top with a 60 to 59 margin in Poll 3 and 48 to 42 in Carnarvon.

Allan Coneybeare was returned to his council seat

but incumbent Helen Johnson finished fourth when three were to be elected.

Heading the polls for council in Anson, Hindon and Minden was former school board trustee Len Lonsberry who came up with 700 votes almost 300 more than the nearest opposition, Lyle McKnight.

McKnight had 401 votes and Coneybeare had 396 to make up the municipal council for the next two years.

Incumbent Helen Johnson polled 325 votes, Earl Hewitt had 248, Bruce Nesbitt 217, Gary Warburton 112 and Allen Cooper 62.

Lonsberry showed his strength by topping all but one poll of the nine in the election. His only loss came in Poll 4 where he had 12 votes to 16 for McKnight.

Board of Education incumbent Lloyd Johnson headed the polls for the two posts open, Johnson ended up with 789 votes to 483 for Don Booth.

Yvonne Penney finished third with 353 votes.

Johnson, like Lonsberry showed his strength at the polls winning all but the advance poll.

Five new trustees elected to board

Five elections for school trustees across Haliburton County have sent five new trustees to the board for the coming term.

Stanhope has elected two new candidates, Dorothy Kinsman and LeRoy Eager replacing Evelyn Gibson and Wilfred Mason, both incumbents who ran again in this election. Stanhope had five candidates in all, the fifth being Beverly Pettes.

Anson, Hindon and Minden electors have returned Lloyd Johnson to the board for another term. Donald Booth has been elected to fill the seat left vacant by Len Lonsberry, who has taken a place on municipal council. The third candidate in Anson, Hindon and Minden was Yvonne Penney.

Six candidates for the four positions on the board from Dysart et al were narrowed down to include Len Salvatori, heading the polls for another term, Richard Poole returned and Dorothy Way.

also re-elected. Earl Cooper elected for the first time to the school board. Incumbent Dennis Waymouth was not returned. First time candidate Tom Little made a good showing.

In Lutterworth a contest between incumbent Norman Gilmore and Paul Pilon was

decided with Mr. Gilmore returned for another term.

A trustee from Cardiff and Bicroft was elected from three new candidates following Goldie Watson's decision not to run again for that area. Joan Ackerman and Peggy Gratrix lost the election to Victoria Agnew.

Harrison retains Stanhope seat

It was a long night of counting in Stanhope Township but Jim Harrison would feel that it was all worth it when he came out victorious in the race for deputy reeve.

Harrison polled a total of 410 votes compared to 168 for Harry Davis. Harrison is the incumbent deputy reeve, the incumbent deputy reeve. Davis served on the council.

Of his 410 votes Harrison picked up 72 on the advance polls compared to 27 for Davis.

Elgin Stouffer took the vacant seat on the council and headed the polls in the process. Incumbents Napier Simpson and John Tomlinson filled the other two seats.

Stouffer polled 411 votes, Tomlinson 384 and Simpson 306. Elvin Johnson came up with 268 votes and John Muise had 149.

In the race for the board of education representatives in Stanhope the two incumbents, Wilfred Mason and Evelyn Gibson went down to defeat at the hands of Dorothy Kinsman and LeRoy Eager.

Mrs. Kinsman polled 356 votes to 307 for Eager, 181 for Mason and 98 for Mrs. Gibson. Beverly Pettes came

up with 125 votes and 98 for Gibson.

Conaghan wins with advance polls

A strong advance poll vote sent incumbent Reeve Pat Conaghan and an entire slate, which included him, Bert Shingler for Deputy reeve, Ron Gambell and Glynne Lewis on council.

William Valentine was the only none slate candidate to make it to the council.

In the race for reeve Conaghan picked up only 103 votes in the regular polls on Monday compared to 232 for Lloyd Walker.

The difference came in the advance polls which had Conaghan with 184 in one and 125 in the other. Walker was only able to get 27 in one and 42 in the other.

Conaghan's final total was 412 compared to 301 for Walker.

Lewis headed the polls for council taking 341 votes with

all but 79 being picked up in the advance polls.

Gambell was second with 336 and it was the same story, 265 were in the advance polls.

Valentine's third place finish showed a balance between both the regular and advance polls with 186 in the regular and 63 and 71 in the advance.

The deputy reeve election proved to be more of the same with Shingler taking 289 votes on the advance polls to give him a total of 359. Second place finisher Ingram Wessell ended up with 205 votes and Ron Murdock had 138.

The Haliburton County Board of Education seat in Lutterworth went to Norman Gilmore with 385 votes compared to 291 for Paul Pilon.

THE LARGEST CIRCULATION IN THE MINDEN AREA

From the Chamber

by Bob Stinson

The Canada Manpower "Outreach" office is now a reality. Counsellor Co-ordinator, Jane Northgrave and her assistant Cathy Carroll have set up their office above LaRue Motors in Haliburton. They are presently in Peterborough undergoing extensive training and will be available in the office beginning this Friday, December 10th. The official opening has been set for December 20th but more about that next week. In the meantime you are welcome to drop in and the girls will be pleased to give you the information you require. Jane will be covering the entire county and will set up scheduled office hours at other locations shortly to provide information to employers and employees.

We do urge both employers and people in need of employment to make use of this facility. There are presently many forms of help available through Manpower that most of us are not aware of, and one of them may solve your problem. This centre can also provide valuable statistics of our employment situation that can be used in assessing the economic problems of the area. A great deal of part-time help is used in our county and it is hoped that this centre will help provide communications for those looking for and requiring part-time work.

The Ministry of Industry and Tourism has asked us to provide them with information on "Spring Events" (March, April and May) by no later than Dec. 15th. This is for the Ontario

Spring Events publication and we always have difficulty coming up with events for this season, particularly this far in advance. If you know of anything that could be included, please contact our office.

At the last Directors meeting a motion was passed to provide a new category for Service Clubs and Associations in the Chamber for a nominal fee of only \$20.00 per year. It is hoped that all clubs will join the Chamber at this new rate and provide the base for excellent communications and co-operation of all organizations throughout the County. There are many fine and wonderful things we can accomplish if we check to make sure we are all pulling in the same direction.

It would appear that we picked a bad date for the Elimination Draw/Dance this Saturday. Seems as though everyone is having their annual Christmas party that same night. As a result we still have tickets available, and whether you can attend or not the odds on the draw are certainly extremely good. For an investment of \$20.00 there is better than one chance in a hundred on the \$1,000. prize and about one chance in ten on the many other prizes which range in value from \$15.00 to \$80.00 each. Tickets cannot be sold at the door, but are available up to that time from the office and all directors. Please help support us and take advantage of this excellent opportunity to be -- a big winner.

COMING EVENTS

Wed. December 8 at 8 o'clock in the Parish Hall the Minden Museum Library Committee will have guest speaker Mrs. Pauline Hall.

Saturday, December 11 - Chamber of Commerce Elimination Draw Dance at Lloyd Watson Memorial Hall in Wilberforce. \$20.00 per couple includes chance on \$1,000.00.

December 15 - W.I. Christmas Party.

Red Cross Ice safety tips

When venturing out on ice covered water, there are five things to remember:

1. Check for danger
2. Be prepared for danger
3. Know how to save yourself
4. Know how to rescue others
5. Don't go out alone

Don't skate until you know the ice is safe. Don't skate on ponds, lakes or rivers until you know the ice surface is at least four inches thick.

Red Cross reminds you that the ice surface on ponds, lakes and rivers is always thinner near the centre. Red Cross reminds you for snowmobiling a minimum of eight to ten inches is necessary for snowmobiles and land vehicles.

For cross-country skiers the long way round is safer.

Last year, ten percent of the drowning accidents occurred when people fell through the ice on ponds, lakes and rivers. Your Red Cross warns you to be careful around ice.

Check the weather before you go out to skate. Any change in temperature can make ice unsafe. Avoid partially submerged objects in the ice. Avoid discoloured or cloudy ice. Never skate alone.

If you should all through the ice, don't panic. Grab the edge of the ice and kick out your feet behind you. This keeps your body float and reduces your weight on the ice. If the ice breaks off, grab again. It will get thicker and you will get a handhold.

If a friend falls through, tell him to hold on and kick while you run for help. Use a long stick, or tree branch or ladder and push it ahead of you as you crawl toward your friend. When he has grasped the end, pull him out to safety. Keep crawling until the ice is safe enough to bear the weight of both of you standing. And as soon as you reach safety, take off the wet clothes and get dry and warm. This is a tip from your Red Cross Water Safety Service.

Eakins concerned about programs

John Eakins, the member for Victoria-Haliburton wrote to the Minister of Industry & Tourism to express his concern over the apparent lack of direction in the outflow of public funds through the Ministry's various programs.

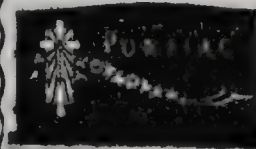

He stated "I would cite the recent charges laid against officials of Ontario Place as a prime example of the Minister being out of touch with the activities of his Ministry. How were those officials allowed to get away with all those fraudulent practices for so many years without being discovered? The Minister simply does not appear to have his hand on the pulse of the Ministry's operations.

Along the same line, if he is responsible for co-ordination of Ontario Government advertising in the ethnic press, then I feel he is not applying a proficient screening process on the final destination of those advertisements. I refer to the numerous ads placed in a newspaper entitled "Forze Nuove." Is the Minister not aware that this publication is aware that this publication is clearly a voice of the New Democratic Party as evidenced by the fact that at least up until June this year 3 members of its editorial staff were elected N.D.P. representatives of the Ontario Legislature. And, more importantly, the address given on the newspaper up until the May 1976 issue was the same as the address of the constituency office of the N.D.P. member for Downsview (Di Santo.) Not only is the Ontario Government supporting a project in which elected representatives are involved but it is allowing public funds to be

used to help to finance a publication that is simply an organ of one particular political party and that is why I must object.

We are for freedom of the press, but I call the Minister's attention to this situation because I feel it is an abuse of public funds to support a political newspaper. I feel that the Minister will undoubtedly share my concern and, therefore, I urge him in the future to keep a tighter check on the outflow of money through his Ministry's various activities.

for love,
for remembrance,
forever™

Denholm wins strong advance

Jack Denholm got a strong lead in his poll of Eagle Lake picked up more in the advance poll and hung on right in West Guilford to come out as councillor for the West Guilford area of Dysart et al.

Denholm defeated Maxine Magee by a slim margin of 14 votes. He polled 199 votes to 185 for Mrs. Magee and 111 for Carl Simms.

In Ward three, the Eagle Lake area Denholm picked up 80 votes compared to 40 for Mrs. Magee and 12 for Simms. Denholm took the advance poll with 77 votes to 13 for Mrs. Magee and five for Simms.

In West Guilford the vote was split between Mrs. Magee and Simms. She picked up 132 to 94 for Simms. The victory for Denholm came when he took 42 in that area.

The Recorder *Page three*

McGilvray re-elected reeve in Cardiff elections

Reeve Mac McGillvray polled over four times the number of votes his opposition did to retain the top post in Cardiff Township.

Reeve McGillvray took 259 votes compared to 64 for challenger Bill Davis.

The incumbent headed all of the polls picking up 51 in the advance, 64 in Highland Grove, 103 in Cardiff office and 41 in Wilberforce. In the same order Davis had 27, 11, 17 and nine.

Incumbent Mack Peters came out with a slim victory in the race for deputy reeve in Cardiff over John Steapley. Peters picked up 169 votes and headed the polls in the advance and Cardiff office. Steapley had 153 votes and was tops in the polls in Highland Grove and

Wilberforce.

In the race for the three council seats incumbent Ross Lawrence topped the polls with 236 votes compared to 186 for Bill Hutton and 82 for Donald Wright.

According to the final count Monday night Eric Gratix missed getting on the council by the slim margin of two votes. Philip Redwood polled 58 votes.

Victoria Agnew took 208 votes to win the townships only seat on the Haliburton County Board of Education.

Mrs. Agnew came up with 208 votes compared to 159 for Joan Ackerman and 57 for Peggy Gratix.

Acclamations

Six reeves have been acclaimed in the nine municipalities of Haliburton county, leaving only three positions to be elected. The reeves acclaimed when nominations closed on November 15 were in Anson, Hindon and Minden, Reg Booth; in Dysart et al, Murray Fearrey; in Stanhope, Sinclair Nesbitt; in Monmouth, Gary Agnew; in Snowdon, Robert Vick; and in Sherbourne, McKlintock and Livingstone, Doug Russell. All of these reeves are incumbents.

Deputy Reeves were acclaimed in Glamorgan, Snowdon, Monmouth and Sherbourne, McKlintock, Livingstone. Larry Hunter, incumbent councillor in Glamorgan, stepped up to the position of deputy reeve in that township, following Norman Locke's decision not to run.

A change in Snowdon declared Donald Smedmore deputy reeve. Smedmore at present on Snowdon council, replaces Ronald Graham.

In Monmouth the incumbent deputy reeve, Keith Tallman was acclaimed. In Sherbourne, McKlintock and Livingstone, incumbent Fred Baum was returned.

On councils across the county, the only councillors acclaimed were in Dysart et al and in Sherbourne McKlintock, Livingstone. Dysart councillor in Ward 1, Roy Brohm was not opposed, nor was Ward 2 councillor Gary McKnight.

In Sherbourne, McKlintock, Livingstone, council will consist of Don Shortree, incumbent Olga Cunningham, incumbent and Fran Gower, who takes the position for the first time.

There were only four acclamations to the 14 member Haliburton County Board of Education.

Acclaimed in Monmouth is incumbent school trustee Ross Anderson. In Snowdon, Ralph Young, incumbent returns and in Glamorgan, Vaniet Pickens, incumbent was acclaimed. In Sherbourne, McKlintock, Livingstone, incumbent trustee Joyce McKey has also been acclaimed.

With all positions acclaimed in Sherbourne, McKlintock and Livingstone there is a contrast between that township and those of Cardiff and Lutterworth, where there were elections for every position.

Fotheringham back

Incumbent Reeve Robert Fotheringham was returned to his position in Glamorgan Township by polling 159 votes.

Challenger Brian Madill finished with 87. Fotheringham's votes included 142 on the regular polls to 72 for Madill.

In the race for the three

council seats incumbent Elgin MacDuff polled 158 votes to finish third in the four man race. Heading the polls was Chesley Noseworthy who came up with 170 votes. In second place was Robert McCausland with 161.

William Dobson finished fourth with 88 votes.

Anne Dawson fills out draw tickets provided by Jean Courtney at the Anglican Church Women's tea and bazaar held Saturday in the parish hall. The draw is for a painting standing on the right by Sy Heal. Proceeds of the draw are to go to the Minden museum-library fund. The draw tickets are available in many stores in Minden to be stocking stuffers for anyone who would like to be surprised with winning the painting. The A.C.W. had a very successful day, taking in about \$300 on the sale of their crafts and bazaar items and on the very good tea, sandwiches and sweets served to all comers.

Incumbents defeated in Monmouth election

The only elections in Monmouth were for the three positions on the municipal council but two incumbents were defeated in that race.

Mary Barker and Carman Coombs upset incumbents Howard Anderson and Fredrick Taylor to take seats on the council.

Incumbent Marg Finlay was re-elected.

Carman Coombs headed the polls with a total of 168 votes, an even split between the Tory Hill area and Wilberforce at 84. Mrs. Finlay and Mrs. Barker both came up with 160 votes. Mrs. Barker had 139 in Wilberforce and 21 in Tory Hill. Mrs. Finlay came up with 70 in Tory Hill and 90 in Wilberforce.

Taylor finished fourth with 134 votes. Alan Revill had 121 and Howard Anderson came up with 87.

Report from Queen's Park By MPP John Eakins

There has been considerable discussion this week about a ruling of the Ontario Highway Transport Board to allow Greyhound Lines of Canada Ltd. to run buses on routes between Toronto and Buffalo and Toronto and Sudbury which are at present served by Gray Coach, a subsidiary of the Toronto Transit Commission. Gray Coach spokesman have said that the company will appeal the decision to the Ontario Cabinet, but the Minister of Transportation and Communications has told the Legislature that he agrees with the Board's reasons for giving the ruling - complaints of poor service by Gray Coach, and the need for competition on the routes in the public interest. Leonard Moynihan, president of the Amalgamated Transit Union has charged that telegrams of support for the

Greyhound service from union locals, read in the House by the Minister, were paid for by Greyhound, and that although more jobs might be provided, they would not be in Ontario, because Greyhound would then have a cross-Canada service, with drivers from the United States, or from Winnipeg driving through Ontario. A vice president of Greyhound admitted in a telephone interview, reported in a Toronto newspaper, that the company paid "thousands" of dollars to bring 70 witnesses to Toronto to support the company's application.

Liberal Leader Stuart Smith has stated that bus service to many small Ontario communities is threatened by the Transport Board decision to permit an American-controlled company to operate on the two main Ontario routes under discussion. "It appears that the Davis Government is willing to condone this sell-out to American interests at the expense of a Canadian company owned by Ontario taxpayers", he said. Gray Coach officials said this week that Greyhound will skim the profits from these two money-making routes, making it impossible for Gray Coach to continue to provide service on money-losing routes in the rest of the Province. Stuart Smith and other Opposition Members have tried repeatedly to persuade the Minister of

Transportation and Communications, or the Premier, to delay issuing Greyhound with the necessary permits, until the Cabinet has had an opportunity to consider the major policy change.

The Provincial Government is to produce a detailed report on the follow-up care provided for nineteen teenagers who have died in the last two years after being released from provincial training schools. The Minister of Correctional Services told the Legislature this week that nine boys and one girl between the ages of 14 and 17 had died in the year ending March 1975, while they were still wards of the province, and that there had been ten similar cases in the previous year. He said the teenagers had been free from training schools for an average of 17 months before their deaths.

Margaret Campbell, M.P.P. (Liberal - St. George) asked the Minister to include in his report information regarding the case-load of the after-care workers handling each teenager who had died, and Stephen Lewis commented that the report would probably show that the probation officers concerned probably had such heavy case-loads that "nobody had time to look after them. I think you will find what is true of all services in Ontario - that after-care follow-up is desperately inadequate."

See you next week.

Recorder Opinion

Editorials

Eyes to open for new members

New members of municipal councils around the county will have a real eye opener in the next couple of weeks.

Life isn't always easy at the top and these new members will soon find out how difficult it really is.

There will be many long hours of work, many frustrating moments and a lot of people who suddenly do not like you anymore.

It is very important that the members of the council do what is right for the majority of the people despite pressures by minorities. Municipal Councils have a very important job to do, a job that is never to be taken lightly.

For those defeated in the election, now is not the time to quit being interested in municipal affairs. Get involved and by all means find a way to work for the betterment of your community.

Change meeting

A change of format in the type of meet the candidates night held by Anson, Hindon and Minden would be in order for the next municipal election.

Candidates should not be afraid of being under fire from the floor in an open meeting.

When a person is elected or seeking an elected office he or she should be willing to field questions on matters that are of concern to the people in the municipality.

If there is a fear of saying the wrong thing, perhaps the person should not be involved in politics at all.

"DAD, YOU USING THE PLANE TONIGHT?"

Letters to the Editor

"On December 6 Ontario municipal electors, ignorant of local government will vote into office as members of council and local boards persons having no greater knowledge of this complex subject than themselves."

Clearly, that sweeping statement cannot be completely true. Many electors would have made the effort to acquaint themselves with both the subject and the issues, while among the men and women elected to office there will be those who bring to their positions a wealth of knowledge and experience. However, if an objective appraisal were taken of the expertise of both the governors and the governed, it would undoubtedly reveal that the negative statement is accurate to a distressingly high degree.

Underlying this problem is the abysmal failure of the Canadian education at either the elementary or high school level. With the exception of individual efforts by teachers spurred by personal interest, the indifference of educators to this subject, is a national disgrace.

Running a close parallel is the almost total absence of any concerted effort to develop a means whereby potential or newly elected municipal representatives can obtain an accurate up-to-date grounding in even the fundamentals of local government. In times of restraint, embarking upon new projects must be viewed with caution. Even so, the almost total indifferences to this problem at both the provincial and municipal levels, remains inexplicable.

A few enlightened individuals and groups such as the Ontario Conference on Local Government have been trying for years to focus attention on this problem. Incredibly, attempts at course development to provide an outline mechanism whereby a modicum of knowledge could be imparted in a consistent, cohesive manner have been frustrated by lack of funds. As a result, thousands of dollars of public and private funds may be wasted. How? During the next two years several thousand men and women across Ontario will be called upon to devote innumerable hours to their public office. Some of this time will be paid for at public expense; much more will be contributed by these individuals. Will their efforts be productive? Will experience members find their input frustrated and delayed by inexperienced, uninformed newcomers who waste precious time struggling to obtain an

understanding? Will those newcomers find their eagerness blunted by ill-defined practices based on hand-me-down concepts of questionable legality unresponsive to changing times? The potential for waste in such circumstances is limitless. "The miracle is that anything is accomplished at all!

And what of the taxpayer? Even as his elected representatives consume hours debating he is confronted with the problems of indecision resulting in waste of time and often other financial loss.

Add to this confusion, the unilateral efforts of various lobby groups, local, provincial and national, feverishly developing policies affecting local government, often founded on an almost total ignorance of this subject, and the picture, already blurred and indistinct dissolves into utter chaos.

How, in a country possessed of so many resources and which has been described as having one of the most highly educated populations on earth can such an asinine situation be tolerated? Democracy. Powers distributed, albeit unfairly, between federal and provincial governments and delegated by the latter of local governments. Laws made to be understood and observed. A system of courts to interpret those laws and provide justice. Imperfect though the system may be it is there. The technical expertise is available to maximize the opportunities which exist. A school system allegedly second to none, is provided from kindergartens to university. Why then must our local governments continue to operate in this manner?

Little hope for guidance can be held out for those persons who will assume their elected offices in the New Year. They must confront the dulling edge of the status quo even as they seek to fulfil their election promises and personal aspirations. But what of the future? Will they be wasted, or will responsible persons in both the government and the private sector finally grasp the golden opportunity presented to maximize the effectiveness of our local government; to place informed elected representatives at the helm and to relegate to the past, the waste and utter folly which now masquerades as "grassroots" democracy?

Municipal World

Recorder Opinion

This was the upper end of Minden's Main Street some years ago. Both buildings are still standing in town, the Rockcliffe Hotel, then the Valley View, in its original location, and the bank building on the right, moved back to Peck Street and now housing the Minden Library in cramped quarters. A close look will show that the picture

Looking back

was taken before the Bank of Commerce had adopted that name, and was still the Standard Bank of Canada. According to our best reckoning and the look of the car, the time of the photo must be the early twenties. Any better guesses would be welcomed. Our thanks go to Mrs. Louise Boddy who brought this photo to us.

Inside the Recorder

by Susan McLaughlin

People keep track of the shows that are on at the movie theatres with some interest. Usually anything new that comes to town is weighed for its entertainment value, or perhaps is often chosen simply because nothing else has appeared to fill an evening. Every now and then, though, something unique comes along that should be considered as well.

The Haliburton Highlands Secondary School contributed last week to the solution of what to do on a Friday or Saturday night, but it seems to me that its' contribution could have been examined by more people.

Grade 12 theatre arts students of the school presented a play by Noel Coward, "Waiting in the Wings". I saw the show on Friday, opening night, and was surprised to find the auditorium only about half full. The play deserved a full to overflowing house.

I realize that Friday night means hockey games and other get togethers that occupy a lot of people. I would just like to note that the play was worth it to those who attended, it was well chosen and well presented. Most of all, it was entertaining.

I can remember at my own high school watching the plays put on by the drama group. I usually went home wincing. Once I went home and had nightmares. The teacher in charge of the group liked to choose plays, or let plays be

chosen, that involved a lot of symbolism, strange costumes and dialogue that was mostly screaming.

I remember stages done in black and white with no furniture, people made up with green faces and pink hair and an incredible amount of gesturing that never seemed to have much to do with the speeches.

I always wondered if I was the only one who didn't appreciate the selection. The audience was usually full of parents, friends and relatives who had turned out to support the hard working students. Whatever they truly felt, they always said that the students had done a good job.

If most of the audience was like myself, they spent most of the production with their eyes closed, trying to avoid the spectacle on stage.

I am being unfair, I know, since I'm exaggerating my impressions and basing them on a few, and not all of the pieces I saw done over the years. I am probably being unfair to call my classmates who worked on the productions, too, but I did my part. I turned out to see them perform and I never used to mention to them that I hadn't recognized them on stage under their purple make up.

Partly because of my bad memories of high school drama, I was very appreciative of the play done by H.H.S.S.

Noel Coward's characters, in "Waiting in the Wings" I found to be more interesting and less alarming than some characters that I am still trying to forget from my high school days.

I appreciated the show because there was a lot in it that was worth appreciating. Even if you didn't know anyone in the cast by the end of the play you at least knew that the cast had learned something about acting. You didn't have to go prepared to hide your head and then say that the cast had done a good job, because they did do a good job.

I know that there is something that sets live performances off from the rest of the entertainment fare that we are used to. For one thing, movies bring us excellent actresses and actors, and quite often at a small live theatre production, it is easy to be critical of the acting. For another, there is a strange, but discernable attitude in many places that the theatre is something unusual, that you have to go ready to figure out what the playwright is trying to "say".

With a background like mine, of watching a mixture of both, of plays that were symbolic or impressionistic and completely unfathomable to me and performed on top of it all by amateurs, it is a wonder that I ever darken a stage door.

A good playwright though, doesn't leave you wondering what he is "saying", he has the skill to tell you without your knowing. "Waiting in the Wings" spoke simply of old people, old women confined indoors with each other, far more sentimental and occasionally firing some good lines at each other. It is not, to me an impossible play, and it was not at all impossible for the H.H.S.S. crew to do a good job of it.

It can only be hoped, I think, that there will be more opportunities for this kind of production in the community as years go by.

No one should be slow to go to amateur productions for fear that it will not be an interesting evening. It should rank above going to the run of the mill movies. Those will even be on television before the year is out.

Once you've missed a stage production, there is no way of seeing that particular production, done that particular way, again.

I consider it a blessing that I will never again have to sit through that scream-filled play that I saw years ago at my own school, but in the case of "Waiting in the Wings" at H.H.S.S. for those who missed it, it is a real loss.

Pee Wees win and lose over weekend

The Prentice Road O.M.-H.A. Pee Wees had an up and down week, taking Little Britain during the week in an away game by a score of 6-0, and then returning home to play Beaverton on Saturday and coming off with a 6-1 loss.

Playing Little Britain at Ops, Minden put four goals away in the first period.

The first at 2:16 was a goal by Minden captain, Bruce White, assisted by Ivan Ingram and Greg Austin. Kevin Hamilton got the next one away at the 4:33 on a shot from Jim Pettes. At 6:01 Collin Newell scored again with Jim Pettes and Tim Wood assisting, followed about a minute and a half later by an unassisted goal by Eldon Bull.

There was no more scoring until the end of a long season period when at the 8:51 mark Jim McKelvey got a goal away assisted by Bruce White and Ivan

Ingram. Near the beginning of period three, Minden put in the sixth and last shot at 1:26 on a goal by John McKelvey, from Eldon Bull and Andrew Shapiero.

It was a clean game, with only one two minute penalty going to each team.

On Saturday, the Minden Pee Wees did not fare as well, going down 6-1 to Beaverton.

Minden began the scoring at the 6:21 mark of the first period. Jim McKelvey made the play, along with Terry Alore and Ivan Ingram.

Beaverton started scoring with only 2:41 left in the period and didn't stop. Scorers were Ken Home for two, Randy Metheral, Dennis Benson for two and Chris Colison.

Penalties to Minden totaled four minutes, with Beaverton sendings six in the box.

The Pee Wees play this Saturday against Sunderland in Minden at 3:00.

The Minden Walker's Lumber Midgets set up a play in front of the Haliburton net when the teams met in Minden last Thursday. Minden has had a good season, but lost to Haliburton 6-2 in a

game dominated by one high scoring line for Haliburton. That story and the write-up of Minden's winning game on Saturday are on page seven.

Atoms get shut-outs in wins last week

It doesn't look as if the Minden O.M.H.A. Yake's Electric/Red and White Atoms can be beaten. The wins keep rolling in. This weekend in two away games they walked over teams from Oakwood and Beaverton to scores of 8-0 and 5-0. Even without assistant captain Jeff (Boomer) Stamp, one of the lead scorers, who is out with illness, the Atoms stopped Oakwood dead to end that team's four game winning streak on Saturday.

Kevin Warburton put the

first goal in for Minden at the 8:13 mark of period one assisted by Scott Yake and John Dillion. That goal was closely followed by a shot by Scott Hamilton assisted by Warburton just 20 seconds later to bring the score up to 2-0. In another 21 seconds the score was 3-0 as Doug Schell put a goal assisted by Scott Hamilton and Kevin Warburton.

The first of two goals in the second period were put in by Warburton from Hamilton and Dillion. The last was put in on a play by Greg Newell from Schell and Carl Alexander.

Minden took only one penalty at the 8:33 mark of

the second period. Oakwood took two penalties, one in the first and one in the third period, making it a good clean game.

On Sunday the Atoms travelled again, this time to play Beaverton. Beaverton was unbeaten in the series so far, but Minden changed all that. The final score was 5-0 for Minden with goals in the first and second period.

At 5:47 of period one Yake got an unassisted goal. Warburton put in the next at the 12:15 minute mark on a play from Hamilton. Another unassisted goal, this time by Warburton at 6:20 of the second period made the score 3-0.

Schell scored next from Warburton, followed at the end of period two by a single handed goal by Greg Newell.

Minden took a total of four penalties in this game.

With nine games under their belts, the Yake's Electric/Red and White Atoms have five shutouts and no losses. Goal tending is split evenly between two good goalies, Kevin Forbes and Scott Danilko.

The Atoms play next on Saturday, when Sunderland comes to Minden at 1:30 p.m. It should be a good game, with more of the same winning teamwork on Minden's part.

First series over

The first series of the Tuesday Night Combines is over with team 5, led by Stewart Dawson as captain, in the lead.

Last Tuesday's bowling results had Pearl Foster in the lead with scores of 261, 232, 240 for a total of 733. Danny Harding rolled 207, 241, and 273 for 721 in all. Georgina Bollen bowled 225, 208 and 207 adding up to 703. Dave McKinlay was next with 223, 243 and 167 for 633. Art Beatty racked up 219, 208 and 195 for 622. Bruce Medcalfe Jr. bowled 241, 202 and 159 totalling 603.

The high averages were Eva Piper, 224, Jack Yate-man, 213, Pearl Foster, 209, Lillian Gorgeatt, 206, Bill Cowen, 198 and Dave McKinlay, 193.

The high singles for the year so far after the end of this first series are; for the men, Jack Yate-man, with 301 and for the women Eva Piper with 334.

High triples bowled were 729 by Jim Foster for the men and Eva Piper's 803 for the women.

Walker's win 8-3 in game with Omemee

Walker's Lumber O.M.-H.A. Midgets downed Omemee 8-3. They won Saturday's game with good goal tending by Kelly Young and good forechecking by the team.

Dave Brown led the point count with five points for two goals and three assists. Next was Brian Shaw with three goals in the game and one assist. Ron Yake played up from the bantams and had a good game with two assists. Tim Davies also played up from the Bantams and scored the second goal.

The first goal was scored by David Brown from Ron Yake. Tim Davies' goal went in from Brian Shaw and Dave Brown.

The third was an unassisted goal by Dave Brown.

Brian Shaw put in the fifth from David Brown and David Shapiera. Gary Harrison took the sixth on an assist from Ron Yake.

Shaw put in the next two, the first unassisted and the second on a play from Dave Brown and Dan Allison. John Farnsworth put in the last, a shorthanded unassisted shot.

The Midgets play their next game against Fenelon Falls on Saturday, at 6:00 in Minden.

Haliburton downs midgets

If it wasn't for the scoring power of one line, the Minden Walker's Lumber Midgets would have come out all right in the game last week with Haliburton.

The line of Bernie Nicholls Rod Consack and Dean Potter were all Haliburton needed to win the contest 6-2. The game was played at the Minden Arena.

Haliburton opened a 2-0 lead in the first period when Consack scored from Potter at the 5:17 mark and Nicholls got his first of four, from Scheffee five minutes later.

Haliburton widened the gap to 3-0 before the five minute mark of the second period when Nicholls scored from Mike Iles.

Minden came back before the period ended to make the count 3-1. Brian Shaw scored on a good passing play from David Brown and Dan Allison.

Nicholls put Haliburton further into the lead at the 6:45 mark of the third period with assists going to Ed Roberts and Mike Scheffee.

Minden's David Brown put the home team within two goals later in the period when he scored unassisted.

Nicholls and Consack scored the final two goals for Haliburton. Nicholls from Roger Hicks and Consack from Scheffee.

There were 13 penalties called in the game with nine going to Haliburton.

Novices play first game

Novice A's hit the ice last week for their first organized game. Minden met Haliburton and both teams came away with one goal.

Minden scored in the first period with a play by Brian Alexander from Glenn Hall and Shane Burch at 4:39 of the first period.

Haliburton scored in period two with a shot by Paul Kuno from Ian Cooper. The goal was scored at the 8:07 minute mark.

The teams will meet again this Saturday at 11:00 in Minden.

Setting trial date

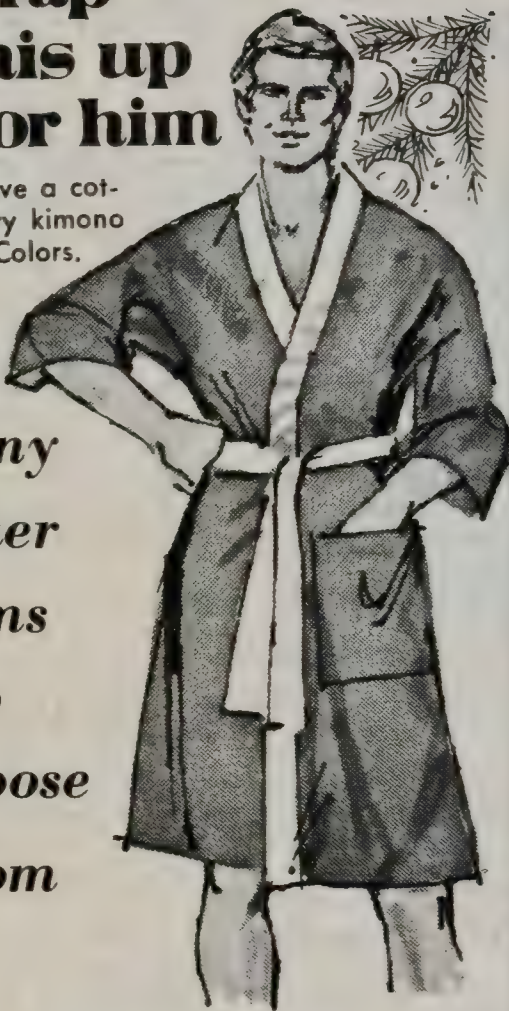

In court on Dec. 1 on a first appearance for charges of impaired driving and driving with over .08 alcohol in the blood, Philip Sawyer of Keswick is to reappear Jan. 25 to set a date for trial. Sawyer was charged on November 30.

Dear Abby

By Abigail Van Buren

© 1976 by Chicago Tribune-N.Y. News Synd. Inc.

DEAR ABBY: I have a neighbor I'll call Sue who has done more for me than my own sister has. Sue's kids are the ages of mine, so she keeps my kids so I can go on the road with my husband for a few days. She also chauffeurs my kids around with her own so I won't have to. Sue has even done my marketing for me.

She's a very handy friend to have and I appreciate her, but here's the problem:

She runs in and out of my house just like it's her own. If she sees that I have company, she comes right over and joins us. She asks the most personal questions, and I have no privacy whatsoever. She's a good friend, but she's a terrible pest. How can I keep her from coming over whenever she feels like it? I don't want to end our friendship because she's been a good friend, but enough is enough.

TOO MUCH OF A GOOD THING

DEAR TOO MUCH: By accepting favors from Sue, you've become obligated to her. If you want your privacy, you will have to quit accepting favors from her. If you can't do that, face it: You've made a deal and you're stuck with it.

DEAR ABBY: I am 22 and have recently taken an office job where other women are employed. This isn't the first office job I've held, but it's the first place I've been asked questions I would rather not answer.

With regard to something I am wearing: "Is it new? Where did you get it? Was it expensive?"

Maybe I'm wrong, but I think these questions are personal, and I don't know how to get out of answering without appearing to be stuck-up and unfriendly.

Can you (or anybody else) help me?

ON THE SPOT

DEAR ON: It's your right to refuse to answer questions you regard as being too personal. And there's nothing wrong with saying, "I'd rather not answer that."

DEAR ABBY: My sister is 18 and her husband is 19. They've been married for two years and have two children.

The problem is her housekeeping. Her house is so filthy it smells. She wasn't raised that way. My mother, my two sisters and I keep clean houses and we can't understand what's wrong with that girl. She doesn't keep herself clean, either. In fact she smells of B.O. We don't know how her husband can stand to be near her.

We have all hinted to her about her house and person, but when we do, she gets mad. We think she needs to be told so she can improve, but we don't know who should tell her.

My husband says I should stay out of it, but I will tell her if you think I should. Please help me decide.

OLDER SISTER

DEAR SISTER: Your husband is right. If she gets mad when you've hinted, mind your own business. If her husband doesn't object, I see no need for anyone to tell her anything.

news

by Becky Davidson

The Instrumental Music Department is getting ready for their Christmas Concert Wednesday, December 15. The three musical groups that will be performing are the Senior Band, Junior Band and the H.H.S.S. Stage Band. The programme features Christmas music along with some carol singing.

On Monday, December 29, we were given a fantastic performance by a theatre group from Toronto, called the "Theatre Hour." This was followed by a workshop in which we learned how to portray acts of violence, for the stage. Several students were able to perform skits for the rest of the workshop. All of the actors and actresses were really great and their visit was appreciated by the student body.

Our "50-Mile" club is still running and getting closer to their goal; Mr. Brohman - 30 miles, Mr. Oakley - 29 miles, Mr. Lerpiner - 27 miles; Miss Koehler - 16 miles, Angela Bishop - 6 miles and Doug MacNab - 1 mile.

The boys' extramural basketball practices have begun. Let's hope the boys' team will do as well as the girls'.

"Waiting in the Wings" was an unqualified success. The grade 12 Theatre Arts class had to work hard but they managed to have a lot of fun at the same time. Many thanks go to Mr. Phillips and Mr. Gliddon who have given so generously of their time and talents.

by Susan McLaughlin

Waiting in the Wings

Noel Coward's "Waiting in the Wings" came to Haliburton Highlands Secondary School Friday and Saturday with a cast that did justice to the study of character and community that the play presents.

Set in a home for retired actresses outside London, England Coward's play depends for its success on the number of characters that must be developed.

Interacting with one another the nine old women in the home present various attitudes to their past public lives and their present lives lived on public charity.

Without good performances by the cast, the play holds little for the audience. The audience at the H.H.S.S. production, though, had reason to be pleased.

Conflicts among the women include a thirty-year old feud between May Davenport (Marnie Blair) and Lotta Bainbridge (Cathy Kinsman) that must be resolved. Perry Lascoe (Darrell Dancey) the secretary for the committee that controls The Wings, does his best to arrange for a new solarium and nearly loses his job. A reporter, Zelda Fenwick, played well

by Jenny Wills, arrives at Perry's suggestion and gives the women some unwanted sentimental publicity. Their reaction to Zelda's story about the faded has been "Waiting in the Wings" for the end of their lives is a good moment. Their reaction to the schmaltz shows just how well they have known and still know the world.

At the same time there is some very real emotion in the play, and the cast presents it without a touch of the schmaltz that the women find objectionable.

A scene between Lotta Bainbridge and her dresser Dora, played by Erin Gilligan on opening night, demands a good deal of skill and was done well. Dora, in a fit of tears, must leave Lotta at The Wings, and with some good acting by both, the sadness at parting is very believable.

Cathy Kinsman as Lotta also does a good job in the scene where she rejects her son's offer to live his private charity and accepts instead the life at The Wings.

Sandy Roberts did an excellent job of Sarita Myrtle, the inmate who is truly mad and truly delightful. Laura Bird as the gloomy Deidre O'Malley played the part with lots of angry energy and a terrific and consistent Irish accent.

To really mention all the good performances means listing the cast. Lorri Burk, a lively Bonita Belgrave, Louise Fleming as the hard to please Cora Clarke, and Marnie Blair as May Davenport, crusty and proud were all good. Maud Melrose played by Judy Horsley, Almina Clair by Darleen Freeman and Estelle Craven by Lynn Finlay were all distinct and enjoyable characters.

Becky Davidson acted the part of the superintendent, a commandeering soul who is at her best when in charge of crisis.

Marnie Wood's performance as the maid was enjoyed, and Peter Neville, filling in with a double role also did a good job.

The grade 12 theatre arts class that worked on the presentation was under the guidance of Bill Gliddon.

The set was workable and well arranged. Apart from a few opening night problems with the lighting, the stage was no problem. The cast had learned to use it well.

The hard work and talent of all concerned was very apparent. It can only be hoped that the group will find time to present another play this year. "Waiting in the Wings" was an ambitious undertaking, with its large cast, but the students lived up to every bit of the challenge.

May Davenport played by Marnie Blair and Lotta Bainbridge, played by Cathy Kinsman, after years of feuding propose a toast together in Noel Coward's play, "Waiting in the Wing", performed Friday and Saturday at Haliburton Highlands Secondary School. The play deals with retired actresses as they try to accept or refuse to adjust to each other and to life in The Wings, a home outside of London, England.

Norland Notebook by Barbara Maunder

Mr. and Mrs. Jack Watson celebrated their 50th Wedding Anniversary on Sun. Dec. 5 at Norland United Church Hall. Their many friends and relations offered congratulations and a presentation of a coloured television set was made to the happy couple.

Last Monday when Parks Canada employees were removing a construction hut from the Norland Dam Site, it toppled off the flat bed of the truck and landed on its side near highway 503. Fortunately, their crane was still at the site and with some manoeuvring, the building was righted and put back on the truck. There appeared to be little damage to the hut except some glass was out of the windows.

Sorry to have to report some of our local people are in hospital. Norman Newman and Arthur Hirstwood are in Ross Memorial, Lindsay and Mrs. Hazel Alden in Soldier's Memorial, Orillia. Hope all will be well soon and able to be home for Christmas.

With sadness, we tell of the passing of Jack Ball, brother of Mrs. Helen Gostlin, who was buried from the John Welch Funeral Home, Minden on Sat. Dec. 4. Jack was a friend and good worker and will be missed by the community.

Sat. Dec. 11 is the date of the Christmas Dance sponsored by Ladies Auxiliary of Norland Firemen, in the Community Hall. There will be prizes for spot dances, door prizes and light refreshments. Admission \$2.50 per person. Dancing from 9 p.m. to 1 a.m. Come and have fun.

Rudy and Gerda Kreppner opened their Village Wool and Crafts shop on Frd. Dec. 3 (see ad in other part of paper.) They have a good selection of wool, gifts and craft ideas and will be open Friday, Saturday and Sunday until Christmas including Christmas Eve until 5:00 p.m.

After all the cold weather we've been having, I was surprised to look outside my kitchen window on Saturday and see a robin feeding near the bird feeder. Do you suppose that he knows something about this weather that we don't?

Wed. Dec. 1, was Summary Day for Women's Institute members and those who participated in the recent course "Accessories for the Home". Eight ladies from Norland attended the tour of 4 different homes in Lindsay, Woodville, and Oakwood areas. There were 2 tours in morning and 2 more in afternoon. We met at the Conference Room of the Ontario Government Building in Lindsay at noon hour for a "Bring you Own Box Lunch" and viewed the display of cushion that had been made during the course. We toured a home over 100 years old, a converted school house, a modern stone bungalow and a new "Open Living" design house.

Hints on Cooking Cheese

To melt cheese, place it over hot water, or and grated cheese to hot mixture.

When making a sauce, add sliced or grated cheese AFTER the sauce is cooked to prevent curdling.

To make a cheese omelet, add the cheese just before folding.

HELPFUL HINT

Before shoveling snow, coat your shovel with any kind of household liquid wax to prevent snow from sticking.

Case is remanded in provincial court

Daniel Paul Warburton of RR 1 Minden has had a case remanded in the provincial court to February 15 for trial on that date.

Warburton was charged in

connection with an incident that occurred July 13. He appeared in court on November 30 to arrange a date for a hearing on the matter.

12 motor vehicle crashes

The Minden detachment of the Ontario Provincial Police investigated 27 general occurrences and 12 motor vehicle collisions during the week of Nov. 29 to Dec. 5.

There was one break-in reported, four charges laid under the Motorized Snow Vehicles Act and three persons charged with impaired driving.

An accident Saturday morning at 1:47 a.m. on Highway 519 north of Donald resulted in \$2,000 damage to a car driven by Michael Carpenter, 19, of Lochlin.

Carpenter and a passenger in the vehicle, Deborah McDougall, 19 of Haliburton received cuts and bruises.

An accident at 7:45 a.m. Saturday resulted in \$600 damage to a pick-up truck driven by William Vivian Scheffee, 20, of Haliburton. The accident took place on Highway 519 in Haliburton. Scheffee has been charged with failing to wear a seatbelt assembly.

A single car crash Saturday afternoon sent two people to Peterborough Hospital with fractures.

Dorothy Dewey, 54 and William Dewey, 66 of Gooderham were taken to hospital by ambulance when the vehicle they were in struck a rock.

The car was driven by Dorothy Dewey. There was \$1,000 damage to the vehicle.

The accident took place on Highway 503, west of Gooderham.

A two car crash at 7:45 p.m. Saturday resulted in \$300 damage to one car and no damage to another vehicle.

The car driven by Evelyn Stevenson, 53 of Minden, received the damage in the crash. Donald R. Shaw, 27 of RR 2 Haliburton was the driver of the other vehicle.

Shaw has been charged with failing to yield and failing two wear a seatbelt assembly.

The accident took place on Highway 519, south of Donald.

A single car crash on Highway 35, north of Minden at 11 p.m. Saturday resulted in \$1,000 damage to a car driven by Elwood H. Barry, 21 of Minden.

There was \$100 damage to two Ministry of Transportation signs.

Cheques coming early

Bill Scott, M.P., Victoria Haliburton has learned that the Federal Government's Income Security cheques for December will be issued earlier in the month than usual.

Family Allowance cheques which would have been delivered December 20, are now scheduled for delivery around December 10.

Canada Pension Plan, Old Age Security, Guaranteed Income Supplement and Spouse's Allowance cheques are scheduled for delivery around December 22, approximately one week earlier than normal.

14 Day sentence day

Convicted of having the care and control of a motor vehicle while impaired, Allan J. Desroches of Toronto received a 14 day jail sentence which he will serve intermittently.

Desroches was found by patrolling OPP officers on highway 35 on July 24. He

was stopped beside the road on a motorcycle, and officers who stopped to speak to him noticed signs of impairment. Desroches was taken to the Minden detachment for a breathalyzer, and received notice of increased penalty for this, a second offence. The court went to some

length to determine how Desroches could serve his intermittent sentence, since he works a night shift at the Toronto Globe and Mail. A solution was arrived at only after some complicated timetableing, but a satisfactory arrangement was reached.

Desroches was also put on a 60 day probation to drink no alcohol and will have his driver's licence automatically suspended.

**In Europe
they call us
"Canada Fats".**

William J. Legge of Willowdale was fined \$100 and \$3 court costs in the provincial court in Minden on Monday, November 29 for a conviction on a charge of careless driving.

Legge caused \$2,000 damage to his vehicle when on August 8, he lost control of his car while southbound on highway 35. He crossed to the east side of the road,

travelled some distance, went back across the road and rolled the vehicle, ending upright facing west. Legge pleaded guilty to the charge and a minimum fine was requested.

IN MEMORIAM

RANSON - Ray W.S. - In loving memory of my dear husband Ray, who passed away December 10, 1972.

As time unfolds another year,
Memories keep you ever near,
Silent thoughts of times together,
Hold memories that will last forever.

Sadly missed by wife Nellie, sons Douglas and Dave and their families.

ANDERSON - In loving memory of a dear brother, Greg who passed away December 13, 1975.

We often think of bygone days,
When we were all together;
The family chain is broken now,
But memories will live forever.
To us, he has not gone away,
Nor has he travelled far;
Just entered God's eternal home
And left the gate ajar.

Sadly missed by sister Nila, brother-in-law Elwood and family.

In loving memory of a dear Son and Brother **Kenneth Bishop**, who passed away on December 9th, 1971.

Though his smile is gone forever
And his hand we cannot touch
Still we have so many memories
Of the one we loved so much.
His memory is our keepsake,
With which we'll never part,
God has him in His keeping,
We have him in our heart.

Sadly missed and always remembered by mother, Louise, and sister Viola, & Bruce, Brenda, Marlene, David & Allan Cook.

Kinsman Korner

The first ticket for \$50.00 picked out of the drum for our Kinsmen Marathon Draw was the second surprise for Dr. John A. Purc November 29th. The first being the fine Son that Judy presented to the world rather hurriedly, at the Haliburton Red Cross Hospital although I don't imagine that is was much of a surprise after all!

The second \$50.00 went to Harry Cowen from the Ingoldsby Turn, and Arnold Walker of Minden was the \$100.00 winner. These tickets are still available for the next two weeks, before the shut-off. See any Kinsmen and get your book. You too, will be included in the next seven draws, the final one being the thousand dollar bill at our Marathon Dance in June.

Our next General Meeting is our Cystic Fibrosis Night, and we are inviting the C.F. Reps. from the Bancroft-Cardiff, South Algonquin and Haliburton Clubs to our Minden Meeting. The theme being a liaison with these other Clubs looking at ideas to raise funds for C.F.

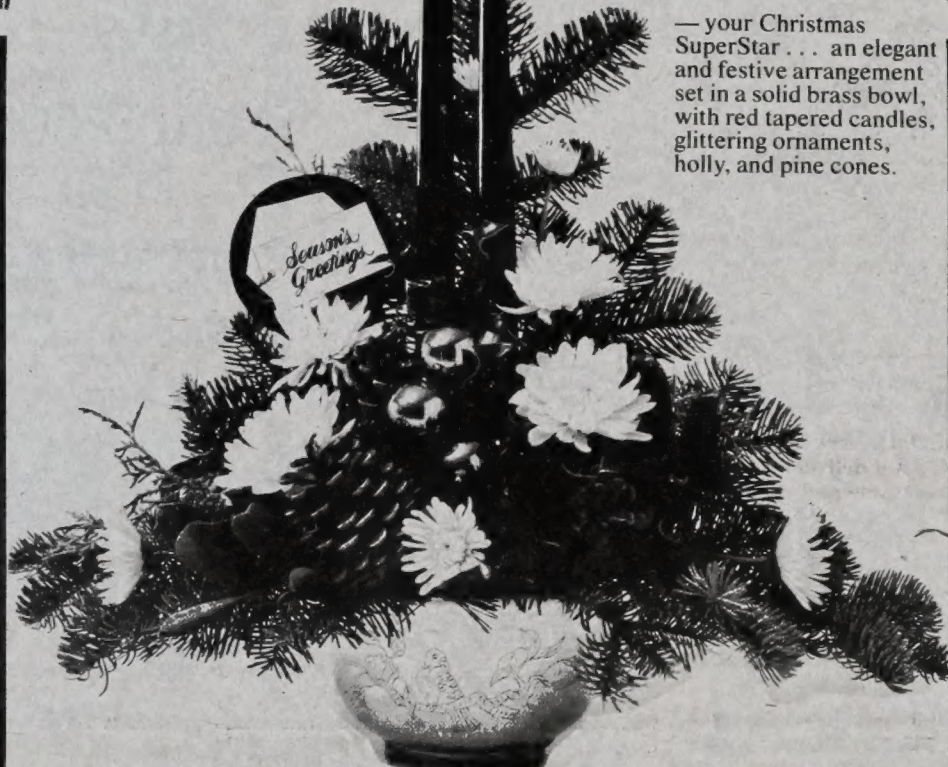

Winter Carnival is gaining in strength and purpose, with each meeting. Our Chairman, Kin Norm Harrison has it well under control. Carnival buttons have been made up, Kin Don Nye the designer & manufacturer and Kin John Petney the salesman. They are very attractive, so pick one up.

All the Minden Kinsmen, meeting at the Wagon Wheel, have one sweetheart in common, Kinette Yvonne Nye. Yvonne is in Lindsay Hospital now, and we definitely miss her. So Yvonne -- come home soon.

Two of our mostvalued members in Kinsmen are Ron & Joan Fennell who are anxiously watching their son Mark's progress in Lindsay Hospital as well. That's a lonely place for a guy with Mark's energy, so if you are down there, drop in and see Mark. That's where a lot of support costs very little.

Kinsmen Xmas trees are on sale now, so don't forget to get one early.

In Memoriam

In fond memory of a dear brother **Mark Dean** who passed away Dec. 13, 1975 and sister **Violet Fetterly** who passed away Aug. 14, 1973.

When family ties are broken
And loved ones have to part,
It leaves a wound that never heals
And also a broken heart.
Your ends were very sudden
It made us weep and cry
But the saddest part of all
We never said goodbye.
For those who have loved ones
Treat them with loving care
For you never know the heartaches
Till you know they're not there.

Sadly missed by sisters Greta, Verna, Mervel and brother George.

Births

BIRTH ANNOUNCEMENT
Keith and Lorna Putman of
Eston, Saskatchewan would
like to share the happy news
with their friends in the
Haliburton area that they
have a new daughter. Mich-
elle Renee was born Nov-
ember 22, 1976 and weighed
9 lbs., 14 oz.

Thank-You

Jean Irwin (Mrs. Cecil)
wishes to express warm
appreciation for the many
thoughtful reminders that
she had not been forgotten
during her recent illness.

We wish to express a very
warm thank you to all our
family and friends who
helped to make our 25th
Wedding Anniversary on
Saturday evening, such an
enjoyable occasion.

Words cannot express our
sincere gratitude and app-
reciation.

Keith & Sylvia Tallman.

IN MEMORIAM

ANDERSON. In loving me-
mory of our dear son, Greg,
who passed away December
13, 1975.

Just a prayer from the
family who loved you,
Just a memory fond and
true.

In our hearts you will live
forever,
Because we thought the
world of you.

A golden heart stopped
beating,
Two smiling eyes at rest.

God took you to his heart

To prove he only takes the
best.

It was a sudden parting

Too bitter to forget

Only those who loved you

Are the ones who will never
forget.

Sadly missed by Mom and
Dad.
